Poor Richard S Almanack:

Poor Richard's Almanack Benjamin Franklin, 2007-11-17 Benjamin Franklin's classic book is full of timeless thought provoking insights that are as valuable today as they were over two centuries ago. With more than 700 pithy proverbs, Franklin lays out the rules everyone should live by and offers advice on such subjects as money, friendship, marriage, ethics, and human nature. They range from the famous "A penny saved is a penny earned" to the lesser known but equally practical "When the wine enters, out goes the truth." Other truisms like "Fish and visitors stink after three days" combine sharp wit with wisdom. Paul Volcker's new introduction offers a fascinating perspective on Franklin's beloved work. *Poor Richard's Almanack* Benjamin Franklin, 1914 **Poor Richard** Benjamin Franklin, 1976 Collects favorite aphorisms and bits of wisdom from Franklin's famous almanac **Poor Richard's Almanac** Benjamin Franklin, 1993-03-01 Bonded Leather binding **Poor Richard** Benjamin Franklin, 1964 Poor Richard's Almanac Benjamin Franklin, 1958 Full of good advice and comments collected and in some cases coined by the famous colonial period politician, author, scientist, and intellectual Poor Richard's Almanack Benjamin Franklin, 2008-01 *Poor Richard's Almanack* is one of Benjamin Franklin's most charming creations. Franklin was a man of many roles: printer, author, philosopher, scientist, inventor, diplomat, politician. He delighted in cloaking his writing behind a variety of literary personas. Richard Saunders remains one of his most beloved. Some critics have complained that *Poor Richard* reveals the shallow materialism at the heart of Franklin's philosophy by extension at the heart of America itself. Even so, *Almanack* holds a central place in understanding Franklin's evolution from humble tradesman to founding father, as well as providing a fascinating window into colonial America. Franklin's sharp wit still retains its ability to surprise and delight readers today. A must read **Poor Richard's Almanack and the Way to Wealth** Benjamin Franklin, 2010-02 One of America's greatest thinkers, Benjamin Franklin's wisdom is still relevant today. Here is a collection of over six hundred bits of wisdom from his popular *Poor Richard's Almanack* as well as his secrets of wealth in *The Way to Wealth* Poor Richard's Almanac Benjamin Franklin, 1900 *Poor Richard's Almanac* Benjamin Franklin, 2008-12-10 Benjamin Franklin's classic *Poor Richard's Almanac* is chiefly remembered for being a repository of Franklin's aphorisms and proverbs, many of which live on in and are commonly used today and have been newly typeset and included in this edition. These maxims typically counsel thrift and courtesy with a dash of cynicism. The original *Almanac* also included the calendar, weather poems, and astronomical and astrological information that a typical almanac of the period would contain; those sections are typically of little interest to the modern reader and are not contained in this edition.
