profit from it In this engaging and practical narrative Simon leaves nothing out of the pricing cocktail but still makes it go down smoothly and leaves you wanting to learn more and do more as a consumer or as a business person You will never look at pricing the same way again

Communications Writing and Design John DiMarco, 2017-04-17 Communications Writing and Design is an integrated project based introduction to effective writing and design across the persuasive domains of communication Build a strong foundation of core writing and design skills using professionally designed examples that illustrate and reinforce key principles Readers learn and analyze techniques by creating 15 projects in marketing advertising PR and social media with the help of strategy suggestions practical tips and professional production techniques Written by an experienced professional and teacher with a focus on the cross disciplinary nature of contemporary communication work Learning is reinforced through a variety of pedagogical features learning objectives helpful mnemonics real life projects and applications chapter references for further study and end of chapter summaries and exercises A companion website with multimedia slides exam questions learning videos and design guides provides additional learning tools for students and instructors
