Dark in Death J. D. Robb, 2018-01-30 Lieutenant Eve Dallas returns in *Dark in Death* by J D Robb the 1 New York Times bestselling master of suspense and takes on a case of death imitating art It was a stab in the dark On a chilly February night during a screening of *Psycho* in midtown someone sunk an ice pick into the back of Chanel Rylan's neck then disappeared quietly into the crowds of drunks and tourists in Times Square To Chanel's best friend who had just slipped out of the theater for a moment to take a call it felt as unreal as the ancient black and white movie up on the screen But Chanel's blood ran red and her death was anything but fictional Then as Eve Dallas puzzles over a homicide that seems carefully planned and yet oddly personal she receives a tip from an unexpected source an author of police thrillers who recognizes the crime from the pages of her own book Dallas doesn't think it's coincidence since a recent strangulation of a sex worker resembles a scene from her writing as well Cops look for patterns of behavior similar weapons similar MOs But this killer seems to find inspiration in someone else's imagination and if the theory holds this may be only the second of a long running series The good news is that Eve and her billionaire husband Roarke have an excuse to curl up in front of the fireplace with their cat Galahad reading mystery stories for research The bad news is that time is running out before the next victim plays an unwitting role in a murderer's deranged private drama and only Eve can put a stop to a creative impulse gone
