American Judicial Process

Pamela C. Corley, Artemus Ward, Wendy L. Martinek, 2015-09-25 This text is a general introduction to American judicial process The authors cover the major institutions actors and processes that comprise the U S legal system viewed from a political science perspective Grounding their presentation in empirical social science terms the authors identify popular myths about the structure and processes of American law and courts and then contrast those myths with what really takes place Three unique elements of this myth versus reality framework are incorporated into each of the topical chapters 1 Myth versus Reality boxes that lay out the

topics each chapter covers using the myths about each topic contrasted with the corresponding realities 2 Pop Culture boxes that provide students with popular examples from film television and music that tie in to chapter topics and engage student interest 3 How Do We Know boxes that discuss the methods of social scientific inquiry and debunk common myths about the judiciary and legal system Unlike other textbooks American Judicial Process emphasizes how pop culture portrays and often distorts the judicial process and how social science research is brought to bear to provide an accurate picture of law and courts In addition a rich companion website will include PowerPoint lectures suggested topics for papers and projects a test bank of objective questions for use by instructors and downloadable artwork from the book Students will have access to annotated web links and videos flash cards of key terms and a glossary
