The Story Pirates Present: Quest for the Crystal Crown Story Pirates, Annabeth Bondor-Stone, Connor White, 2020-02-11 A hidden lost world. A powerful crystal crown. This gripping fantasy adventure inspired by a real kid's idea doubles as a creative writing guide for young writers. An enchanted arrow pierces the wall of Hillview; the city is under attack.

Years ago a powerful crystal crown was stolen from a group of magic wielders called Lysors. Lacking the crown's protection, the Lysors hid themselves behind the city walls, shut off from the rest of the world. But with danger upon them once more, can Laura, a spunky girl with a knack for adventure, journey outside Hillview and reclaim the crystal crown? Changing kids' lives one story at a time is the motto of the Story Pirates, a group of professional comedians and teachers who bring kids' writing to life in animated short films on their hit podcast and in theaters and schools across America. Like the first two books, *Stuck in the Stone Age* and *Digging Up Danger*, this imaginative fantasy is based on an idea from a real kid. The story is also a jumping off point for an introduction to the basics of creative writing. With the help of Story Pirate Captain Vincent Rolo and the Fantasy Creation Zone, readers can use this novel as inspiration to create their OWN great fantasy adventure. **Texture in**

Food B M McKenna, 2003-07-03. Texture is one of the most important attributes used by consumers to assess food quality. This quality is particularly important for the growing number of semi-solid foods, from sauces and dressings to yoghurt, spreads and ice cream. Part two considers key aspects of product development and enhancement. It includes chapters on engineering emulsions and gels and the use of emulsifiers and hydrocolloids. Gelato in all its luxury is simple to make at home with a standard ice cream maker. *Making Artisan Gelato*, following on the heels of *Making Artisan Chocolates*, will offer 45 recipes and flavor variations for exquisite frozen desserts made from all natural ingredients available at any grocery store or farmer's market.
