

Activity Progress Report: [Activity Name]

Progress reports should contain concise, summarised information that includes key facts and the necessary analysis and conclusions to meet the core information needs of the report's audience.

The implementing agency is responsible for ensuring progress reports are completed according to the monitoring and evaluation work plan and/or activity contract. Depending on the activity, the implementing agency may complete the report themselves, information may be compiled from different partners contributing to the activity, or a contracted project manager may complete the report (e.g. the PMU).
