Paralympian My Autobiography:

Paralympian Stephen Miller, 2008 Stephen Miller is one of Britain's most successful athletes. His inspirational autobiography tells of his struggles and triumphs and is told with refreshing honesty and infectious humour. **Female Olympian and Paralympian Events** Linda K. Fuller, 2018-10-04 Female Olympian and Paralympian Events is a groundbreaking book that examines women's sports in the Olympic and Paralympic Games which have long been underappreciated and underanalyzed. The book begins with a brief background on women's participation in the Olympic Games and their role relative to the International Olympic Committee, then introduces the underlying Gendered Critical Discourse Analysis theory used throughout the book's analysis, before delving into a literature review of female Olympians and Paralympians' events. It includes a listing of noteworthy firsts in the field, followed by individual discussions of twenty-eight Summer and seven Winter events, analyzed according to their historical, rhetorical, and popular cultural representations. Women's unique roles in the various events are discussed; particular athletes and Paralympic events are highlighted, and original tables are also included. At the end of each section, affiliated organizations and resources are included in this invaluable referential volume. **Maggie Alphonsi: Winning the Fight** Maggie Alphonsi, Gavin Mairs, 2023-08-31 Shortlisted for the Sports Book Awards Autobiography of the Year, Maggie Alphonsi is not only a national sporting icon, the face of international women's rugby, and star player of the England side that won the World Cup in 2014. She is also an inspirational and totemic figure who transcends sport. The compelling story of her life makes her achievements even more extraordinary. Hers is an against-all-the-odds tale of becoming the best player in the world despite having to battle against racism, sexism, and prejudice. It is a book forged from the raw emotion, passion, and testimony of an iconic player who rose to the elite of world sport when the world was seemingly stacked against her. It is a moving and revealing story of a woman who was not prepared to be defined by anyone but herself and gives the reader a unique insight into how she met her goals. Maggie has changed the way the game is played forever. **The Sunday Times** **Unbroken** Martine Wright, 2017-07-13 THE CROSS SPORTS BOOK AWARDS AUTOBIOGRAPHY OF THE YEAR Tears of sorrow will roll down your face, only to be followed by tears of laughter. You will be filled with awe at the unbreakable spirit of Martine Wright. **CLARE BALDING** By turns heart-breaking and heart-warming, *Unbroken* is the remarkable true story of a woman who turned trauma and tragedy into hope. The autobiography of 7/7 bombings survivor and GB Paralympian Martine Wright. On the morning of 7th July 2005, Martine Wright's life changed forever. As she boarded an eastbound circle line train at Moorgate station amid the busy rush hour, she didn't pay attention to her fellow passengers. At 8:49am, one of those passengers detonated a suicide bomb that would kill seven people in the carriage, part of a wider attack on London claiming 52 lives that became known as the 7/7 bombings. Martine was in fact the last person to be brought out alive from the atrocities. She lost 80 per cent of her blood, was in a coma for seven days, and underwent ten months of surgery. Not only did Martine survive her horrific injuries, but having

never played sport seriously before she took up sitting volleyball as part of her rehabilitation and went on to represent Great Britain at the Paralympics in London 2012 A deeply poignant moment that signified her triumph over tragedy it marked a journey Martine felt she was destined to make Since then Martine has become a national figure a formidable powerful brilliantly funny hugely engaging heroine who has come back almost literally from the dead In 2012 she was awarded the Helen Rollason award at the Sports Personality of the Year and in 2015 the Independent voted her one of 50 most powerful women in British Sport Beyond her phenomenal sporting achievements Martine continues to change the lives of those around her as a charity fundraiser and inspirational speaker

Falling Up Dana Liesegang, Natasha Stoyneff, 2015-11-10 I absolutely love this girl and I love this book I know

you will too Dr Wayne W Dyer From the time Dana Liesegang could walk she was out looking for adventure and she never stopped As a fearless child in the Pacific Northwest she climbed trees caught frogs and held her own with any boy in town She brought that true grit fire in her belly attitude to the Navy and to her recovery from the unthinkable At the age of 19 she was sexually assaulted by a fellow sailor and thrown off a cliff left for dead She survived but woke up in a hospital hours later paralyzed from the neck down with doctors giving no hope for recovery They underestimated the spirit and stubbornness of their patient In *Falling Up My Wild Ride* from Victim to Kick Ass Victory Dana recounts her agonizing and sometimes comical struggle from total dependence to doing the impossible walking again With equal parts humor and rawness she brings us along on her wild ride as she navigates her new world hurtles through rocky relationships deals with family secrets and returns to her love of sports and the outdoors In the process she learns the importance of forgiveness discovers the awe inspiring power of belief and perseverance and transforms herself from silent victim to outspoken advocate and inspiration for people everywhere After all sometimes an unexpected fall can lead a person to reach for magnificent heights
