Parent Guide Children Safety Internet

K R Stonebridge

Parent Guide Children Safety Internet:

Is your child safe online? Pamela Whitby, 2011-10-28 Is your child safe online Do you know what information they access on a daily basis The chances are that you are like most parents and the answer is no or at best I m not sure These days our kids are more internet savvy than we are they know how to unblock privacy settings or get around simple parental controls Yet more and more frequently there are stories in the news about children being victims of internet crime whether through Facebook party invites cyber bullying or worse child grooming But what can we do about it As parents we have a duty to understand the different media our children use and put in place boundaries and guidelines to protect them Is Your Child Safe Online has the practical advice you need to minimise the risk and ensure your child is protected today whilst still letting them do their homework Covering all forms of new media iPhones apps iPads twitter gaming online as well as social networking sites Is Your Child Safe Online keeps you informed of the dangers and reassures with simple straightforward advice It arms you with practical methods to make sure your child is safe All your questions answered Do children get any guidelines at school on internet use How do children use social networks chatrooms instant messaging and blogs How do I control what my children look at online or what information they give out What are the effects of time spent online on mental health and social life How do I educate my children on how they can protect themselves against cyber bullying and grooming Give yourself peace of mind with Is Your Child Safe Online the book that every careful parent should own The facts speak for themselves In the last three years the number of children belonging to a virtual world has increased from 8 million to 20 million One in five children aged five to seven are accessing the internet without parental supervision Make sure YOUR child is safe online

Connected Kids, Protected Kids K R Stonebridge, 2023-12-22 Connected Kids Protected Kids A Parent s Guide to Internet Safety is an insightful and comprehensive guide designed to help parents navigate the challenges of raising children in the digital age The book begins with an exploration of the digital revolution emphasizing the need for responsible engagement with technology It addresses the dual challenge parents face in fostering connection while ensuring protection offering practical advice on how to balance these aspects The book delves into the digital landscape that children navigate highlighting age specific internet use trends and common online hazards like cyberbullying online predators scams and exposure to inappropriate content It emphasizes the importance of open communication and trust building between parents and children advocating for age appropriate conversations about the internet The guide also provides strategies for establishing basic internet safety rules in the household discussing the effective use of parental control software and stressing the significance of privacy settings and safe browsing practices As children grow the book suggests adapting internet safety strategies addressing more complex online issues like sexting and managing digital footprints It underscores the role of parents as digital role models and the importance of staying informed about new technologies and trends The concluding chapters emphasize the need for a balanced digital life advocating for the educational and creative use of the

internet while encouraging parents and educators to build a support network Overall the book serves as a valuable resource for parents seeking to guide their children through the complexities of the online world focusing on safety education and empowerment Internet Safety Parents' Guide Victoria Roddel,2007-02 The main concerns for children online especially teenagers are the people they meet and the information that is posted by them or by others about them Back cover
