

WILL MY CHILD BE REMOVED?

If the case manager determines your child to be unsafe, he/she will talk with you to make a plan so that your child is safe. If a safety plan cannot be made, the case manager will talk with your family to:

- Find a temporary safe place for your child to stay with relatives or in foster care.
- Arrange for you to see your child.
- Arrange services for your child and family.

In certain situations, your child may be placed outside of your care without your permission. A protective custody court hearing must be held within 72 hours (excluding weekends and holidays) from the time the decision was made to remove your child. You will be notified of the date, time, and location of the hearing. You must attend the hearing. At the hearing, the court decides whether your child can safely be returned to your care until the next court hearing. You will be informed of your rights at this hearing.

WHAT DOES THE CPS CASE DETERMINATION MEAN?

The case manager will decide if your child has been abused or neglected.

- The case manager will also make a determination about your child's safety.
- The case manager will assess whether your child is safe or unsafe, and if your child or family is in need of services.
- The case manager will review what changes need to happen for your child to be safe at home.
- If the case manager determines that abuse or neglect did not occur, the report is "unsubstantiated."
- If the case manager determines that abuse or neglect has occurred, the report is "substantiated." You have the right to appeal a substantiation.

WHAT IF I DO NOT WANT SERVICES?

If you do not want services for your family but your child is unsafe, the case manager may ask the court to order that you take part in services. It is very important for you to be involved in the discussion with the case manager. You should ask questions and share concerns with the case manager about what services you think would be helpful to your family.

WHAT CAN I DO IF I DISAGREE WITH MY CPS CASE MANAGER?

Open discussion with your case manager may be the timeliest way in which to resolve disagreements. If you are unable to come to a resolution, you may contact the case manager's supervisor. You may also raise concerns with your attorney and in court, if necessary.

The case manager will notify you in writing of the results of the CPS case determination. You will have the ability to request an appeal if you do not agree with the abuse or neglect finding. Information on the appeal process will be included in the written notice.
