But the battle for public opinion rages on. When Detective Ad le Rougier encounters Pascale Auboussu a shy young woman turned into a vampire against her will Raymond and Denis Langlois chef de la Cour nearest the crime fear a public relations nightmare. The vampire responsible for Pascale's turning must be brought to justice but Denis is distracted by an unlikely potential partner Canadian researcher Martin Delacroix who is spending a year's sabbatical at I Institut and Denis's lingering feelings for his deceased lover prompt him to reject the bond. There's no denying the attraction between them though and the allure of companionship is nearly as strong as Denis's grief. Growing familiarity and yearning for a true mate may induce Ad le and Denis to soften their stances against new partnerships but Ad le will have to accept a deeper intimacy with Pascale when she has never considered a relationship with a woman and it will take a near deadly attack to make Denis admit his most hidden desires.
