

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. A vertical margin line is present on the left side, creating a narrow left margin. The paper appears to be from a notebook or a standard sheet of stationery. There are some faint smudges and shadows across the surface, suggesting it might be a scan of a physical document.
