## **Robert Scott Canon Manual:**

Inspiration and Canonicity of the Scriptures R. Laird Harris, 2008-09-01 In the modern debate on biblical interpretation and verbal inerrancy this book gives weighty evidence for the historic Christian position that the Bible the sacred canon is the very truth of God and that it can be interpreted understood and applied in our time The book considers the phenomena and data of the Bible and finds them consistent with the teaching of Christ and the apostles that they are both true and meaningful in any culture Inspiration of the Bible and the canonical status of its books are closely interrelated matters but the treatment of both subjects in one volume is all to rare In the treatment of the canon the book quotes extensively from the sources the very early Christian writers as well as recent finds the Dead Sea Scrolls and the books and papyri from Nag Hammadi in Egypt It combines the extensive historical evidence with the witness and claims of the Bible itself Reviews of the original work that it was well documented and thorough but profitable for any serious Christian layman are still applicable to the revised and updated edition      **The Christian Hope in the Apocalypse** John Kenneth Mozley, 1915      **The Publishers' Circular and Booksellers' Record** ,1924      **The Academy and Literature** ,1879      Church Missionary Intelligencer and Record ,1909      **The Church Quarterly Review** ,1919      **Church Quarterly Review** ,1919      *The Spectator* ,1881      **The Athenaeum** ,1880      *The Saturday Review of Politics, Literature, Science and Art* ,1860
