Comrade Rockstar Reggie Nadelson,2009-05-26 Dean Reed had one of the strangest careers in the history of popular culture Failing to gain recognition for his music in his native United States he achieved celebrity in South America in the early 1960s and then unbelievably became the biggest rock star in the Soviet Union where he was awarded the Lenin Prize and his icons were sold alongside those of Josef Stalin His albums went gold from Bulgaria to Berlin He made highly successful movies and naively earnest was an unwitting acolyte for socialism everywhere he went he was mobbed by his fans And then in 1986 at the height of his fame right after 60 Minutes had devoted a segment to him finally giving him the recognition he had never attained at home he drowned in mysterious circumstances in East Berlin Drawn magnetically to his story Reggie Nadelson pursued the mystery of Dean Reed's life and death across America and Eastern Europe her own journey mirroring his As she traveled the Berlin Wall came down the Soviet Union crumbled and Reed became an increasingly alluring figure his life an unrepeatable tale of the Cold War world Encountering the characters musicians and DJs politicians and public figures lovers and wives who peopled Reed's life Nadelson was drawn further and further into a seedy often hilarious subculture of sex politics and rock n roll Part biography part memoir and personal journey Comrade Rockstar is an unforgettable chronicle of an utterly improbable life

The Rock Star's Homecoming Linda Gould,2007-12 Nestled in the Appalachian foothills Glendary College is the epitome of a small town college Calm and studious on the surface the mixture of jocks religious fanatics and hippies creates a powder keg just waiting to explode The igniting spark comes in the form of the Sunburst a homegrown rock and roll band whose members go out of their way to break campus rules Finally at a late night concert they go too far and the band members are expelled It s been two years since the band s departure and the Sunburst has made it big in New York City Due to Sunburst s phenomenal success the college students rally to hear them play again Soon a groundswell builds to woo the musicians back to campus to perform at Glendary s homecoming dance Imogene plans to write her senior honors thesis on the Sunburst as a social phenomenon Sara the bandleader s sister struggles to keep the musicians together while recovering from a broken affair with one of the band members And their roommate Emily a drama major who is secretly dating her married faculty advisor is determined to reveal all in a video chronicling the homecoming weekend But this isn t any average homecoming This is a rock star s homecoming and the college is about to ignite once again **Rock Star Mommy:** Judy Davids,2012-03-01 For Moms About To Rock We Salute You When suburban mother of two Judy Davids picked up a guitar and conspired with the neighborhood moms to form an all mom rock band she never imagined it would actually happen Within weeks the Mydols were born Did they have a clue what they were doing Nope But from that point on it was full steam

ahead and never mind the laundry Rock Star Mommy is a rallying cry for every woman who fondly recalls when she spent more time in mosh pits than Mommy and Me classes From the moment Judy Davids donned a pair of go go boots and jumped onstage she embarked on an unforgettable journey Rock Star Mommy chronicles Davids experiences as a music fan a mother and the leader of the Mydols one of the first mommy rock bands in the country If you ve ever had the urge to grab a guitar dye your hair pink and turn your minivan into a makeshift tour bus you ll find a kindred spirit in Judy Davids Rock Star Mommy is the perfect companion for any mom who s ever wanted to raise good kids and raise a little hell at the same time Let s get one thing clear The Mydols don t take any lip People Judy Davids was a suburban soccer mom with rock n roll dreams when she picked up a guitar and decided to start a mom rock band Soon after the Mydols were born Suddenly Judy found herself in the pages of the supermarket tabloid The Sun while shopping for Lunchables She lives in Royal Oak Michigan with her husband John sons Dylan and Willie and a black Labrador retriever named Ozzie Rock Star/Movie Star Landon Palmer,2020 During the mid 1950s when Hollywood found itself struggling to compete within an expanding entertainment media landscape certain producers and studios saw an opportunity in making films that showcased performances by rock n roll stars Rock stars eventually found cinema to be a useful space to extend their creative practices and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect multiple media properties Indeed casting rock stars for film provided a tool for bridging new relationships across media industries and practices From Elvis Presley to Madonna this book examines the casting rock stars in films In so doing Rock Star Movie Star offers a new perspective on the role of stardom within the convergence of media industries While hardly the first popular music culture to see its stars making the transition to screen the timing of rock s emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change At the same time a post star system film industry provided a welcoming context for rock stars who have valued authenticity creative autonomy and personal expression This book uses illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new ideal media laborers whose power lies in the fact that they are rarely recognized as such Combining star studies with media industry studies this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries It demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used

All I Ever Wanted Kathy Valentine,2020-03-31 Runner up Carr P Collins Award for Best Book of Non Fiction 2021 Go Go s bassist Kathy Valentine s story is a roller coaster of sex drugs and of course music it s also a story of what it takes to find success and find yourself even when it all comes crashing down At twenty one Kathy Valentine was at the Whisky in Los Angeles when she met a guitarist from a fledgling band called the Go Go s and the band needed a bassist The Go Go s

became the first multi platinum selling all female band to play instruments themselves write their own songs and have a number one album Their debut Beauty and the Beat spent six weeks at the top of the Billboard 200 and featured the hit songs We Got the Beat and Our Lips Are Sealed The record s success brought the pressures of a relentless workload and schedule culminating in a wild hazy substance fueled tour that took the band from the club circuit to arenas where fans promoters and crew were more than ready to keep the party going For Valentine the band s success was the fulfillment of a lifelong dream but it s only part of her story All I Ever Wanted traces the path that took her from her childhood in Texas where she all but raised herself to the height of rock n roll stardom devastation after the collapse of the band that had come to define her and the quest to regain her sense of self after its end Valentine also speaks candidly about the lasting effects of parental betrayal abortion rape and her struggles with drugs and alcohol and the music that saved her every step of the way Populated with vivid portraits of Valentine s interactions during the 1980s with musicians and actors from the Police and Rod Stewart to John Belushi and Rob Lowe All I Ever Wanted is a deeply personal reflection on a life spent in music
