Native people invite the reader on a fascinating journey into the world of ranching and rodeo. The book also presents the special relationship between Native people and animals such as the horse, buffalo, deer, and dog, which have always played an important role in Native spiritual and economic life. By the mid nineteenth century, Native people were highly valued for their skills in horse breeding and herding and could take advantage of new economic opportunities in the emerging ranching industry. Faced with limited resources, competition for land, and control by governments and Indian agents, many Native people still managed to develop their own herds or to find work as cowboys. As the ways of the Old West changed, new forms of entertainment and sport evolved. Impresarios such as Buffalo Bill Cody invented the Wild West show, employing Native actors and stunt performers to dramatize scenes from the history of the West and to demonstrate the friendly competitions that cowboys enjoyed at the end of a long round up or cattle drive. The popularity of rodeos also grew within Native communities, and arenas were built on many reserves. Native rodeos are still held, while many Native competitors ride in professional rodeos as well. Today Plains and Plateau peoples proudly continue a long tradition of cowboying. *Legends of Our Times* is a celebration of their rich contribution to ranching and rodeo life. *American Cowboy*, 2006-05. Published for devotees of the cowboy and the West, *American Cowboy* covers all aspects of the Western lifestyle, delivering the best in entertainment, personalities, travel, rodeo, action, human interest, art, poetry, fashion, food, horsemanship, history, and every other facet of Western culture. With stunning photography and you are there reportage, *American Cowboy* immerses readers in the cowboy life and the magic that is the great American West. ***A Winding Road to the Land of Enchantment*** Gerald W.
