The Content Pool Alan J. Porter, 2012-02-15 All companies no matter what industry they are in or what product or service they create do four basic things Offer something for sale sell it collect money for it and create content about what they do Product development Marketing Sales and Finance are all essential to the organization and are typically managed at the VP or CXO level yet a company s content which contains all of its intellectual property is often overlooked The Content Pool Leveraging Your Company s Largest Hidden Asset makes the case for placing content creation management and distribution on a par with other core strategic business activities Inside the Book Identifying Your Content Organizing Your Content Managing Your Content Leveraging Your Content The Case for a Chief Content Officer Bibliography and Index
