Million to Look A Million Carl H. Becker, 2021-12-06 The old saying is a picture is worth a thousand words Believe it or not but appearance accounts for a great deal in your life Think of yourself as a book cover It is the book cover that sells the book or not Those same laws of attraction also apply to you So if you're well groomed and wearing the correct apparel you'll attract attention We only get one chance to make a first impression Ninety percent of that first impression is visual and you're being summed up by your observer to the way you look in perhaps sixty seconds or less The other person observer be it a complete stranger peer coworker or employer is judging you based upon the way that you look Do you want to attract people into your life Or do you want to repel people Creating that positive image of yourself can open the door to conversation and that conversation can lead to opportunities of enriching your life So why would you want to shoot yourself in the foot My book will teach you grooming clothing care and how to buy quality apparel at bargain prices This book if followed will always have you putting your best foot forward and change your life forever
