Teen Film Catherine Driscoll, 2011-06-01 What makes a film a teen film And why when it represents such powerful and enduring ideas about youth and adolescence is teen film usually viewed as culturally insignificant Teen film is usually discussed as a representation of the changing American teenager highlighting the institutions of high school and the nuclear family and experiments in sexual development and identity formation But not every film featuring these components is a teen film and not every teen film is American Arguing that teen film is always a story about becoming a citizen and a subject Teen Film presents a new history of the genre surveys the existing body of scholarship and introduces key critical tools for discussing teen film Surveying a wide range of films including *The Wild One* *Heathers* *Akira* and *Donnie Darko* the book's central focus is on what kind of adolescence teen film represents and on teen film's capacity to produce new and influential images of adolescence

Teaching Literature to Adolescents Richard Beach, Deborah Appleman, Bob Fecho, Rob Simon, 2016-03-10 This popular textbook introduces prospective and practicing English teachers to current methods of teaching literature in middle and high school classrooms It underscores the value of providing students with a range of different critical approaches and tools for interpreting texts and the need to organize literature instruction around topics and issues of interest to them Throughout the textbook readers are encouraged to raise and explore inquiry based questions in response to authentic dilemmas and issues they face in the critical literature classroom New in this edition the text shows how these approaches to fostering responses to literature also work as rich tools to address the Common Core English Language Arts Standards Each chapter is organized around specific

questions that English educators often hear in working with pre service teachers Suggested pedagogical methods are modelled by inviting readers to interact with the book through critical inquiry methods for responding to texts Readers are engaged in considering authentic dilemmas and issues facing literature teachers through inquiry based responses to authentic case narratives A Companion Website <http://teachingliterature.pbworks.com> provides resources and enrichment activities inviting teachers to consider important issues in the context of their current or future classrooms
