Gordon Schrempp, 2005-03-14 Lickety Split I A Novel From Nebraska By J Gordon Schrempp Sometimes fictions appeal is its ability to carry us to worlds known and unknown giving us an escape from the boredom or pressures of daily life At other times fiction is at its very best when it takes us to territories we know intimately It provides us with a mirror giving us insight into our own lives and takes us back to our own past and uncovers deeply buried conflicts and desires long forgotten This is what Dean Arnold the main character of Lickety Split does for the reader It is through his character that the reader can connect with his past Through a brilliant character portrayal Schrempp a first time author manages to illuminate our own past and take us to areas long buried in our consciousness Areas many of us would like to relive or in some cases hope to forget Dean Arnold lives on a farm in Northeastern Nebraska with his parents and two brothers Although the setting of this character driven novel is in the early 50s the story is timeless Dean spends a great deal of time and nervous energy coping with a dominating alcoholic father the fear of a depraved school bully and the baffling experience of a blossoming first love The latter resides mostly in his imagination To escape reality Dean finds solace in a

giant sycamore tree on highway 20 where he watches traffic heading east to Chicago and west to California It is here where his imagination soars and all his conflicts dissolve temporarily The passing humanity on Highway 20 gives him hope and a vision for a better existence When his whiskey drinking father decides to sell the farm to buy Beckers Bar in Wynot his world is driven deeper into chaos The bizarre characters he meets in the Bar alter his attitude and give him experiences with the seamy side of life Here in a strange way he finds the relief he desires He learns that alcohol can give him temporary relief but he only falls deeper into trouble Salvation comes from a boxer turned priest at the local Catholic Church where Dean is a mass server Father Logue takes him under his wing and begins to teach him basic lessons in boxing to give him a sense of self esteem that he hopes will build the confidence he lacks and a belief that happiness and pride come from within ones self Just as Deans confidence begins to build he accidentally discovers a dark and heinous secret in the priest the one man he was just beginning to trust This discovery comes just about the time his younger brother Ernie dies of leukemia Although leukemia was the disease that killed him it was pneumonia that brought it on Two weeks prior to his death Dean had taken Ernie on a motorcycle ride in the cool morning air His mother Elizabeth out of sadness at the loss of her beautiful son blames part of his death on Dean This final disgrace is the last straw for Dean When school gets out for the summer Dean feels he needs to escape His dad is consumed with keeping the bar business going with the death of her beloved son his wife stopped cooking meals for customers and the death of Ernie These circumstances give Dean the power he needs to make some plans A visit to his sycamore tree gives him a solution He knows what he has to do Schrempp allows his readers through Dean to explore what can happen when desperation in its darkest form gives way to solutions that can be lived with and once found give us hope and a measure of joy

have formed a task force aimed at taking them down But the end results are far worse than anyone could have imagined In some way or another the three friends and their adversaries all suffer wretchedly For some it is an ordeal that drives them into insanity Others die quickly while the most ill fated suffer deaths in the most horrific ways possible But in the end everyone gets what they deserve Well maybe not everyone It s a cruel world out there for some folks anyway [A Love So Hard](#) Christine Michelle,2020-11-29 This is book 2 in the Aces High MC Charleston Series and this is a series that should be read in order Lucy I fell in love with Charles Double D Brothers when I was just 16 years old He was 19 and had just patched into the Aces High MC in Charleston SC The falling in love part didn t matter though because our life our love wasn t destined to be an easy one Then again nothing worth having ever is In the beginning I was too young he was too wild and my family was able to send me away to keep us apart Later when I was 20 and he was 23 our paths crossed again This time he was the one ready for me but I wasn t quite there yet I allowed the club whores and rumors to drive me away and then I let my pride and more lies keep me away despite the secret I took with me Double D The perfect woman was out there waiting for me to find her again Twice I d lost her now and twice it had been avoidable It s a damn shame that life had a nasty habit of screwing me over because we were far from done with the roller coaster we d been on so far It didn t matter though The ride could keep on getting bumpier and I d never jump off She was worth every single thing I had to endure just to feel her in my arms at the end of the day If only I could keep her from running again This is not an insta love story It s the story of a lifetime As with [The Other Princes](#) Aces High MC Charleston Book 1 this is a different book in the MC Romance sub genre It deals heavily with internal family issues and less with outside club vs club drama [Turnaround Excellence](#) Pradip N Khandwalla,2001-03-10 In this unique book Pradip Khandwalla studies 120 recent examples of turnarounds and analyzes how each was achieved [Rural Living](#) ,1975-11
