Sample Of Journal Article Critique:

How to Critique Journal Articles in the Social Sciences Scott R. Harris, 2013-09-23 This brief introductory book provides readers with a step by step guide to reading and understanding a social science research article The author demonstrates the many strengths of social research including its advantages over ordinary ways of knowing things and at the same time points out that research is inevitably flawed Rather than naively assuming that good research simply produces The Truth or cynically asserting that research is hopelessly biased and futile this book instills in readers a critical perspective one that appreciates the strengths and weaknesses of any piece of scholarship [You Can Publish Your Journal Article](#) Gilbert C. Gee, 2023-12-13 You've completed your research and want to publish it in a peer reviewed journal Author Gilbert C Gee is here to help sharing what he learned as a writer reviewer and Editor in Chief and calling on other journal editors to offer their advice [You Can Publish Your Journal Article](#) will not only help you write your paper but more importantly be more likely to succeed in peer review The book has four main premises that writing involves a relationship between you and your readers and that your research joins an ongoing conversation in the field that good writing is rewriting and revision is critical that people who write daily are more productive than those who binge write and finally that persistency wins so don't give up when you get a rejection With chapters offering practical advice on selecting the right journal peer review the methods section displaying your data writing the results and discussion sections the book concludes with short essays from invited journal editors about how to avoid common mistakes and ensure success *Nursing Research Critiques* Karen Bauce, Joyce J.
