I, **Debbie Ray**, hereby certify that I have read this statement of concerns and priorities for Billy and I agree with the early intervention services that are being provided for Billy. I therefore give my (our) permission for this plan to be implemented.

Parent/Guardian Signature

Child and Family Information

This first section lists your child's name and date of birth and other basic details. It also includes your family's contact information. The date of the IFSP meeting may be noted, too.

Service Coordinator Information

The service coordinator is the person responsible for making sure the IFSP is carried out. Other members of the IFSP team may be listed here also or at the end of the plan.

Present Levels of Development

This describes your child's current abilities and skills. These can include:

- Physical skills (reaching, crawling, walking, drawing, building)
- Cognitive skills (thinking, learning, solving problems)
- Communication skills (talking, listening, understanding others)
- Self-help or adaptive skills (eating, dressing)
- Social/emotional skills (playing, interacting with others)

Family Resources, Concerns and Priorities

This is a statement of your family's strengths and challenges. You'll help create it. Any concerns you have about your child and the priorities for his progress will also be noted here.

Measurable Results or Outcomes

This important section lays out the goals ("outcomes") for your child, how they'll be met and how your child's progress will be measured. These goals also help the IFSP team decide if services should be added or changed.

Early Intervention Services

This describes the early intervention services your child and family will get. The plan should specify where the services will be provided, how often they'll be provided and how long each session will last.

Natural Environments/Settings

Services in an IFSP should be provided at home, in day care or in other "natural environments" for your child. If a service is provided in a place kids this age would not typically be, this section will explain why.

Other Services

Some services that your child and family need may not be early intervention. But they're listed here to give you a complete picture. Potential sources of funding are also noted.

Parent Consent

Your consent is required before early intervention services can be provided. Some IFSPs have a signature line.

Documentation for Rehabilitation - E-Book Lori Quinn, James Gordon, 2024-04-12 Better patient management starts with better documentation. *Documentation for Rehabilitation* 4th Edition demonstrates how to accurately document treatment progress and patient outcomes using a framework for clinical reasoning based on the International Classification for Functioning, Disability and Health (ICF) model adopted by the American Physical Therapy Association (APTA). The documentation guidelines in this practical resource are easily adaptable to different practice settings and patient populations in physical therapy and physical therapy assisting. Realistic examples and practice exercises reinforce the understanding and application of concepts, improving skills in both documentation and clinical reasoning. Workbook/textbook format with examples and exercises in each chapter helps reinforce understanding of concepts. Coverage of practice settings includes documentation examples in acute care, rehabilitation, outpatient, home care, nursing homes, pediatrics, school, and community settings. Case examples for a multitude of documentation types include initial evaluations, progress notes, daily notes, letters to insurance companies, Medicare documentation, and documentation in specialized settings. **NEW** Movement Analysis Linking Activities and Impairments content addresses issues related to diagnosis. **NEW** An eBook version included with print purchase provides access to all the text, figures, and references with the ability to search, customize content, make notes, and highlights, and have content read aloud. Updated case examples provide clinical context for patient documentation. Revised content including updated terminology from the latest updates to the *Guide to Physical Therapist Practice* provides the most current information needed to be an effective practitioner. Updated references ensure content is current and applicable for today's practice.

Assessment in Speech-Language Pathology Kenneth G. Shipley, Julie G. McAfee, 2019-10-25 This thoroughly updated sixth edition of the best-selling text *Assessment in Speech-Language Pathology* remains an invaluable resource for instructors, students, and clinicians. The book covers the diagnosis and evaluation of a wide range of communication disorders in adults and children. This one-of-a-kind manual provides a comprehensive package of reference materials, explanations of assessment procedures, practical stimulus suggestions, and hands-on worksheets and screening forms. The highly practical resource is separated into four easy-to-navigate sections: Part I highlights preparatory considerations; Part II includes procedures and materials for obtaining, interpreting, and reporting assessment information; Part III provides materials and suggestions for assessing communicative disorders; Part IV presents a quick reference section providing information on hearing considerations and medical diagnoses. This must-have sixth edition reflects the latest research, best practices, and important trends and developments for assessment in speech-language pathology. **New to the Sixth Edition:** Updated content throughout to reflect current research and practice; New chapter on Selective Mutism; New section covering the assessment of transgender voice; Updated Sources of Additional Information in every chapter with addition of recommended mobile applications for speech-language assessment. **Key Features:** Full color design with images.
