

CALIFORNIA DRIVER'S EXAMINATION

(From the 2010 California Driver Handbook)

Directions: Study the driver handbook before you take the test.

Each question has three answer choices. Choose one answer and mark an X in the box across from the answer. Do not talk while taking the test, use any books or notes, or cell phone, or electronic devices, or leave the test area before your test has been graded. It may result in a test failure and you may be suspended or revoked.

heard that the driver's license test in New York is immensely difficult regardless of your driving experience. Plenty of out-of-staters will tell you horror stories of how they failed terribly on the written exam despite years of driving under their belts. And it's even scarier if you've never been behind the wheel. Because as excited as you may be to start driving on your own, you only get a few tries to pass the written test before you're forced to begin the whole application process all over again. Even if you've read through the DMV handbook over and over, you might miss a redundant question where all of the answers look like they could be correct. And missing just one question is enough to invalidate your entire driver's license application. But there's a simple and easy way to save yourself the embarrassment of failing your driver's license test. With the right study guide, you'll be prepared for every question you come across on the test so you can pass with flying colors. In this New York Driver's Practice Tests Course, you will discover a comprehensive guide to applying for taking and passing the New York DMV written exam. Over 700 questions and answers to prepare you for the most recent version of the written test. Detailed explanations of each answer to help you get a perfect score. Over 9 different chapters that lay out the basics of each section on the exam plus 2 BONUS cheat sheets. The biggest mistake most people make when prepping for their tests and how you can avoid the same fate. 56 tips and tricks to get you ready for both the written exam and the road test. Studying hacks to make sure you ace every question on the test even if you don't have enough time to practice. The 12 questions most test takers get wrong answer these the right way if you don't want to fail. And much more. Don't waste hundreds or even thousands of dollars on driver's ed courses that barely even help you with the written portion of your driver's license test. This New York Driver's Practice Tests Course shows you everything you need to know to pass your exam on the first attempt and for only a small fraction of what it costs to hire an instructor. Regardless of your driving experience, this all-in-one guide will boost your test-taking confidence and have you cruising around New York in no time. You could keep sitting at home worrying about whether or not you're going to have to retake the test or you can master all the essential road rules, skills, and practices and get one step closer to obtaining your driver's license. New York DMV Permit Test Questions & Answers David Knight, 2019-10-19

Do you want to pass the DMV Driver's License Written Exam the first time? The New York driving motor vehicle test has 46 test questions. You are required to answer at least 38 questions correctly for a pass. Each individual has just 3 chances or attempts. A seven-day interval is required before another assessment or test. This book was prepared to give the test taker an in-depth knowledge of what to expect as well as some known frequent question answers and explanation. This test guide is divided into different sections of what you will be tested on: The General Question, Defensive driving, Road signs, Traffic Control, Special driving condition. Having guided many test takers towards achieving success in their DMV exam, I decided to put out this manual which will serve as a standard guide towards helping you pass your DMV. With this guide, there is no need to be afraid of failing as the questions contained therein are close enough to what you will be tested on.
