When Oceans Roar Ernest F Crocker,2016-10-07 When Oceans Roar tells the remarkable stories of people who heard the still small voice of God and saw God do amazing things when they took God at his word and surrendered themselves to him The stories told in this book represent roads that few people would have chosen Yet having said yes to God and taken the first step each one was strengthened empowered and equipped for the journey ahead It includes the story of a couple who prayed over their child who had no heart beat for three days in the sure knowledge that God would meet them at their point of need and of a Bangladeshi freedom fighter taken before a firing squad only to learn that God had a plan for his life This is a book that will challenge you to find your true identity and having done so to step out of complacency and take risks in the sure knowledge that God will never leave you or forsake you as you surrender yourself to him Be inspired to listen out for the still small voice of God above the ocean s roar *Carried Through Cancer* Kim Harms,2025-09-30 *Carried Through Cancer* is a 70 day devotional filled with uplifting stories from dozens of women who have traveled the cancer journey each devotion offering spiritual support emotional encouragement rich community and daily reminders that God shows up when people reach out to Him and He is there to carry you through your story **Sitting at a Crossroad** Adriana Forsman,2025-07-03 She didn t have an engagement ring or get down on one knee or ask that magical four word question but Adriana Forsman knew her secret girlfriend had essentially just proposed Their forbidden love had led Forsman to the greatest crossroads moment of her life Would she choose to serve Jesus or be with the woman she loved Or could she choose both Forsman s attraction to women began freshman year of Bible college in a uniquely complicated situation with her new best friend From that moment forward her coming of age years did not go according to plan *Sitting at a Crossroad* vulnerably chronicles the twists and turns of her love life through confessions secrecy heartbreak manipulation false accusations getting caught and falling in love all of it leading to a life defining moment of decision Forsman s journey through the convergence of Christian faith and bisexuality provides insight into the inner conflict queer Christians face as she shares this raw piece of her life It is a story of love friendship self discovery and faith not only her own faith but the faithfulness of God a faithfulness that knows no bounds Bitty From Ashes Donielle McCraw,2022-03-09 Put on your walking shoes because in this book you will walk through twenty two years You ll walk down long roads and see many things with the woman of a family Satan worked hard to destroy You ll see how Satan preys on individuals marriages and families and how he works extra hard on those he s afraid of You ll see spiritual growth in yourself while walking down roads of your own through journaling studying scripture and praying through your own struggles You ll see proof like never before of God s mighty hand at work chapter after chapter You ll see normal imperfect people make big mistakes on their road to redemption and likely be able to identify with them in some areas of your own life and marriage As you take this journey you ll walk the roads that led to the destruction of a marriage and see that it was too messy and impossible to fix Then you ll see how our God is the God of the impossible and

how a woman who once took roads that separated her from God and her husband walked those same roads that led her back into God's perfect will. The best part is you'll see Satan lose the war as you walk with her through fire and see Betty rise from ashes. God has never lost a battle and He never will. *Pond River Ocean Rain* Charles Lattimore Howard, 2017-02-07 For those who seek to find new depths in their spiritual lives *Pond River Ocean Rain* helps readers wade into the beautiful water that is God through stories, questions, and accessible illustrations. Feel the Living Water wash over you while contemplating chapters on stillness such as a pond, the full trust in God's will, much like the rush of a river, peace within mystery as experienced in the depths of the ocean, and the movement of God's relentless love for us, the refreshing rain we receive. *Pond River Ocean Rain* like all bodies of water is simple, occasionally wild, and consistently beautiful. And there are depths that when explored, reveal abundant life for all who jump in. **Before Belief** Bruce A. Stevens, 2020-01-15 First things are spiritually and theologically important. *Before Belief* explores the precognitive human experience of transcendence, illuminating how such foundational experiences are formative of attachment relationships with people and ultimately with God. The book proposes an implicit learning model rather than rely on Freud's or Jung's understanding of the unconscious, with a goal of recovering unconscious spiritual learning. Once discovered and put into language, early learning needs to be tested and integrated into life experience and expressed in committed living. The theories examined and advanced in the work are also carried through in practical case studies that demonstrate the pastoral and clinical salience of understanding and connecting people to those grounding experiences. **The Parrot August 2011**, **Mosaic - 365 day devotional** Celebration Church, 2014-12 This is a 365 day devotional designed to be read through along with the Bible in a year. *Soul Sing: Singing Torah for Health and Holiness* Debra Cohen, 2025-04-02 *Soul Sing: Singing Torah for Health and Holiness* explores the powerful health benefits of singing, drawing from Jewish tradition, neuroscience, and the World Health Organization's recognition of the arts in medicine. It reveals how sacred singing through Torah chanting, niggunim, and communal song reduces stress, enhances emotional resilience, and strengthens social bonds. Connecting Jewish music with social prescribing, the book highlights how singing is being integrated into healthcare to support mental and physical well-being. Whether for personal healing or communal renewal, *Soul Sing* offers a compelling case for singing as a vital force for health and holiness. *Brave Is the New Beautiful* Lee Wolfe Blum, 2017-03-01 In a culture that bombards women with thinspiration messages and pressure to do it all while wearing the mask of perfection, women are left feeling alone and overwhelmed. How can they stop comparing themselves to others? How can they live out who they really are? Lee Wolfe Blum offers stories from everyday women who have answered these questions with their lives and found true beauty in the process. In *Brave Is the New Beautiful*, Blum weaves reflections from her own journey with inspirational stories from everyday women who chose to take off their masks and live authentically.
