An Algebraic Introduction to Complex Projective Geometry Christian Peskine, 1843 In this introduction to commutative algebra the author choses a route that leads the reader through the essential ideas without getting embroiled in technicalities He takes the reader quickly to the fundamentals of complex projective geometry requiring only a basic knowledge of linear and multilinear algebra and some elementary group theory The author divides the book into three parts In the first he develops the general theory of noetherian rings and modules He includes a certain amount of homological algebra and he emphasizes rings and modules of fractions as preparation for working with sheaves In the second part he discusses polynomial rings in several variables with coefficients in the field of complex numbers After Noether s normalization lemma and Hilbert s Nullstellensatz the author introduces affine complex schemes and their morphisms he then proves Zariski s main theorem and Chevalley s semi continuity theorem Finally the author s detailed study of Weil and Cartier divisors provides a solid background for modern intersection theory

This is an excellent textbook for those who seek an efficient and rapid introduction to the geometric applications of commutative algebra

Laissez-moi partir Marie Ambourg, 2021-02-09 Le harcèlement scolaire fait nombre de victimes notamment l'auteure qui a dû cesser de partager son expérience Tu es un cafard et nous les cafards on les crase C est une phrase blessante qui m'a suivi toute ma vie Mon quotidien Intimidations coups moqueries insultes Durant plus de 10 ans telle était ma vie Elle se refusait supporter et subir le silence que je m'imposais par peur travers cet ouvrage j'ai dû cesser de mettre en lumière une souffrance qui pour moi ne portait pas de nom jusqu'à mon livre Notre vie doit elle s'arrêter au harcèlement scolaire Pouvons-nous nous reconstruire par la suite Telles sont les questions que je me pose chaque jour J'ai dû faire preuve de courage pour affronter un passé au-delà de ce que j'imaginais J'ai voulu partager dans ce livre mon combat pour m'en sortir et celui pour devenir plus forte A travers mon histoire et divers témoignages j'espère offrir à un espoir de guérison et apporter une aide tous ceux qui ont souffert et ceux qui souffrent encore Car ce n'est pas seulement mon histoire c'est la nôtre Ce témoignage poignant a pour vocation de transmettre un message d'espoir de guérison tous ceux et celles qui souffrent de harcèlement
