Romesberg, 2019-01-23 At the age of nine Evelyn's mom died leaving Evelyn in the care of her dad their housekeeper and two older brothers Despite the absence of a mother Evelyn blossomed in her surroundings excelling in school and growing up to become a devoted wife and mother of three daughters She poured herself into her family selflessly sacrificing determined to give them the loving instruction she was shown at home and more Along the way Evelyn encountered obstacles that would cause the average person to give up in defeat but not this mom Her gray hair may have been an indication of these rough times in her life but Evelyn drew strength from her faith her family who loved and supported her as well as the many friends she acquired along the way These influences when combined with her sense of humor and enthusiasm for life with all of its challenges enabled her to push onward even when situations seemed hopeless In Why Mothers Get Gray author Deborah A. Romesberg offers a series of vignettes paying tribute to her mother Evelyn This often humorous memoir reveals the deep impact Evelyn left through her words and actions on those who knew her well Good Housekeeping, 1925 Four

Generations Cookbook Beverley A. Benjamin, 2017-01-09 As our six children moved out I would often receive a phone call asking Mom how did you make this What was the secret ingredient As a child I would watch my Mother cook and preserve fruit can and freeze vegetables bake and have family get together s to make Perogys I enjoyed cooking when I first took it in Junior High School and started to collect recipes I did a lot of family history and over the years I also was given many recipes from the family members plus saved many from other resources My Stepfather taught me the cooking of wild game to make it tender When I got married we had our own garden plus raised cattle chickens turkeys pigs rabbits and even tried ostriches We did our own butchering and I learned from my husband's boss how to do make headcheese from the pigs I made cottage cheese and butter from our milk cow I made sourdough from scratch also From our garden we froze a lot of the crop for the winter The fruit we grew got made into jams and jellies as well as the wild fruit that we picked Often we would go picking berries as a family outing or while Roy and I were haying the children would pick wild berries near the fields We would have a treat of fruit at the end of the day and the excess got made into preserves or into juice My one challenge was making bread even with a bread machine It never turned out Roy took over that challenge and got a recipe figured out that even now I cannot fail making bread The Grandchildren loved helping him make buns When Roy passed away I tried the recipe and

when the Grandchildren tried the bread their remark was It taste s just like Grandpa s bread My recipes were in several boxes and I knew where the ones were that I used the most When I started entering my collection into a computer Roy suggested I should make a cookbook because I had a collection of over a century of recipes I have done that now and the collection has recipes from early 1900 s with the old way of the size of the ingredients like amount of butter the size of an egg up to modern amounts I also have enclosed tips that were given to me over the years plus a few old poems that have a special meaning to me *Washington, DC Chef's Table* Beth Kanter,2012-11-27 In Washington DC political rivals disagree on just about everything but there is widespread bi partisan support for the city s restaurant scene The nation s capital and neighboring suburbs boast premier restaurants and inspired chefs who bring even the most hardened adversaries to the table Now everyone inside and outside the beltway can savor a taste of the best Washington has to offer With tantalizing recipes from more than 50 of the capital s most celebrated chefs and 100 beautiful full color photographs Washington DC Chef s Table is a feast for the eyes as well as the palate *The Amish Christmas Kitchen* Kelly Long,Jennifer Beckstrand,Lisa Jones Baker,2016-09-27 A tasting menu of Christmas baking themed Amish romance novellas complete with companion recipes Publishers Weekly Something s always baking in an Amish oven and at Christmastime all the ingredients for joy are at hand Wrap yourself in the warmth of the Amish home and the Plain peace of hearts joined by love Each story includes a recipe from the author BAKING LOVE ON ICE MOUNTAIN by Kelly Long Newly married Clara Mast and Daniel Kauffman have little to give but love during their first Christmas season together But generous hearts are always willing to be creative in this Gift of the Magi inspired story THE CHRISTMAS BAKERY ON HUCKLEBERRY HILL by Jennifer Beckstrand When shy Katie Rose Gingerich s dat sends her to Huckleberry Hill to secure a marriage proposal she never expects to long for carefree Titus Helmuth or to hope that he might want to spend every Christmas with her THE SPECIAL CHRISTMAS COOKIE by Lisa Jones Baker A charity auction an unexpected friendship and a stubborn spirit combine in an unusual courtship But for Emma and Jonathan overcoming obstacles is just one of the lessons to be learned about special blessings this holiday season
