## **Robert Morris Blind Time Drawings 1973 2000:**

*Robert Morris* Robert Morris, Centro per l'arte contemporanea Luigi Pecci, 2005 This catalogue brings together for the first time 81 of Robert Morris's Blind Time Drawings selected from the six series that make up the corpus of this work to which Morris has dedicated more than 30 years The entire range is present from the early drawings of 1973 up to the Moral Drawings of 2000 with a particular emphasis on the fourth series a group of works inspired by the writings of the philosopher Donald Davidson Visually striking the Blind Time Drawings as the name implies were executed by the artist with his eyes covered Consisting of stark black and white contrasts explosions of graphite and obsessive markings that move organically throughout the page the works are anything but haphazard Morris followed a strict plan when doing the works and his writing which describes his process is instrumental to understanding them In addition these works are placed within the context of Morris's Minimalist and Conceptualist masterpieces such as Card File 1962 Mirrored Cubes 1965 and Portland Mirrors 1977

*Notions of Temporalities in Artistic Practice* Anamarija Batista, 2022-07-04 The reflections on historical and contemporary positions assembled here shed light on concepts of temporalities in the context of artistic practices In the 1960s and 1970s the pursuit for the situational processual and actual stirred up artistic and theoretical fields Nowadays contemporary practices expand on these subjects by exploring the notion of anachronism the impermanence of one's own corporeality together with the performative and ephemeral qualities of the sonic amongst other relevant concepts The goal of this publication is to offer a deep dive into situation specific settings and to fundamentally explore how temporality is able to initiate action and structure our perception thereby affecting our bodies our senses how we communicate and how the present moment is shaped

**Performance Drawing** Maryclare Foá, Jane Grisewood, Birgitta Hosea, Carali McCall, 2020-09-03 What is performance drawing When does a drawing turn into a performance Is the act of drawing in itself a performative process whether a viewer is present or not Through conversation interviews and essays the authors illuminate these questions and what it might mean to perform and what it might mean to draw in a diverse and expressive contemporary practice since 1945 The term performance drawing first appeared in the subtitle of Catherine de Zegher's Drawing Papers 20 Performance Drawings in particular with reference to Alison Knowles and Elena del Rivero In this book it is used as a trope and a thread of thinking to describe a process dedicated to broadening the field of drawing through resourceful practices and cross disciplinary influence Featuring a wide range of international artists this book presents pioneering practitioners alongside current and emerging artists The combination of experiences and disciplines in the expanded field has established a vibrant art movement that has been progressively burgeoning in the last few years The Introduction contextualises the background and identifies contemporary approaches to performance drawing As a way to embrace the different voices and various lenses in producing this book the authors combine individual perspectives and critical methodology in the five chapters While embedded in ephemerality and immediacy the themes encompass body and

energy time and motion light and space imagined and observed demonstrating how drawing can act as a performative tool The dynamic interaction leads to a collective understanding of the term performance drawing and addresses the key developments and future directions of this applied drawing process

**A Touch of Doubt** Rachel Aumiller, 2021-02-22 What can we know about ourselves and the world through the sense of touch and what are the epistemic limits of touch Scepticism claims that there is always something that slips through the epistemologist's grasp A Touch of Doubt explores the significance of touch for the history of philosophical scepticism as well as for scepticism as an embodied form of subversive political religious and artistic practice Drawing on the tradition of scepticism within nineteenth and twentieth century continental philosophy and psychoanalysis this volume discusses how the sense of touch uncovers contradictions within our knowledge of ourselves and the world It questions 1 what we can know through touch 2 what we can know about touch itself and 3 how our experience of touching the other and ourselves throws us into a state of doubt This volume is intended for students and scholars who wish to reconsider the experience of touching in intersections of philosophy religion art and social and political practice
