Rock And Roll Star:

Rock Star/Movie Star Landon Palmer, 2020 During the mid 1950s when Hollywood found itself struggling to compete within an expanding entertainment media landscape certain producers and studios saw an opportunity in making films that showcased performances by rock n roll stars Rock stars eventually found cinema to be a useful space to extend their creative practices and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect multiple media properties Indeed casting rock stars for film provided a tool for bridging new relationships across media industries and practices From Elvis Presley to Madonna this book examines the casting rock stars in films In so doing Rock Star Movie Star offers a new perspective on the role of stardom within the convergence of media industries While hardly the first popular music culture to see its stars making the transition to screen the timing of rock s emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change At the same time a post star system film industry provided a welcoming context for rock stars who have valued authenticity creative autonomy and personal expression This book uses illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new ideal media laborers whose power lies in the fact that they are rarely recognized as such Combining star studies with media industry studies this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries It demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used

Oasis Andrew Rooney, 2024-09-06 Dave Grohl once said of Oasis We ve played shows with them before where I look at them and think That s the greatest rock band I ve ever seen in my life The calibre of the songs they were releasing especially between 1994 1996 would seem to confirm that sentiment with the quality of even their B sides becoming the stuff of legend Their second album What s The Story Morning Glory would go on to become the best selling album of the 1990s in the UK and all the while it became impossible to open a newspaper or music magazine in the mid 1990s and not read about Oasis From the time their debut album was released in 1994 Oasis climb to the top was one of the fastest in music history Even their leader Noel Gallagher would say they should have split after their Knebworth 1996 concert Yet when they walked off that stage in 1996 they still had over a decade left together and to the shock of some many good songs left to write Heavy on music and short on gossip this is the story of all those songs the life changing anthems and the forgotten gems the throwaways and the covers Andrew Rooney has been a fan of Oasis since his dad owned a copy of Definitely Maybe that eventually he permanently borrowed He spent hundreds of dollars collecting every Oasis single on the used CD market and still strives to make a perfect playlist of the best Oasis B sides When not reading about The Beatles and other music acts he works in education in Milwaukee Wisconsin He is happily married to his wife Lorraine who likes some of

the same music he does including some Oasis songs *The Best of "The Spirit of Medjugorje"* June Klins, 2005-06-30 In 1981 a beautiful lady appeared to 6 young people in the village of Medjugorje in what is now Bosnia Herzegovina She told them that She was the Blessed Virgin Mary the Queen of Peace and that She came with a message of peace peace with God and man I have come to tell the world that God exists He is the fullness of life and to enjoy the fullness and obtain peace you must return to God Our Lady has continued to appear since 1981 to give messages to the world of peace love and joy She is confiding ten secrets to each visionary some are chastisements for the world and promises to leave a visible sign at the place of the apparitions in Medjugorje for all humanity Today all but three of the visionaries have daily apparitions This time this period of grace is for conversion and deepening faith After the visible sign those living will have little time for conversion Many books have been written about Medjugorje but this one is different It includes not only information about Medjugorje and talks and interviews with the visionaries but also heartfelt testimonies of those who have been healed and changed through Medjugorje as well as advice written from the heart on how to live the messages This book is for EVERYONE all Our Lady s children Catholic and non Catholic If you have not heard about Medjugorje it will tell you everything you need to know If you have been following the messages of Medjugorje or have been one of the millions of people blessed to have been there this book will light your fire all over again **Rock & Roll's Hidden Giant** Charlie Gracie, John A.
