Role Of Tour Guide Training:

Tour Guiding Research Betty Weiler, Rosemary Black, 2015 This book provides an authoritative state of the art review of tour guiding scholarship and research It aims to foster best practice and to stimulate further study and research on tour guiding across a range of disciplines The book is well illustrated and its accessible style with chapter summaries makes it ideal for students as well as researchers

International Handbook on Ecotourism Roy Ballantyne, Jan Packer, 2013-01-01 Roy and Jan have assembled a timely snapshot of our current understanding of ecotourism both as a concept worthy of scientific inquiry and as an increasingly significant segment of global commerce and industry A terrific piece of work Sam Ham University of Idaho US In the 30 or so year since it became established in the tourism literature and in tourism practice ecotourism has attracted as many proponents as opponents This Handbook now brings together some of the leading scholars worldwide in this field to explore the current position of this form of tourism In doing so it offers serious critiques it explores meanings and paradoxes it offers best practices and it looks to the future It is the Handbook for one of tourism's fastest growing and controversial sectors David Airey University of Surrey UK This is a most welcome and needed book With a very strong editorial team and contributing authors the Handbook covers all the key issues of ecotourism It cuts through the confusion surrounding the much misunderstood concept of ecotourism clearly dealing with definitions concepts and research issues The Handbook is particularly welcome for its focus on the visitor experience a strength of the editors and for clearly linking the theory of ecotourism with practice in the field Christopher Cooper Oxford Brookes University UK This Handbook brings together contributions from over forty international experts in the field of ecotourism It provides a critical review and discussion of current issues and concepts it challenges readers to consider the boundaries of what ecotourism is and could be The Handbook provides practical information regarding the business of ecotourism insights into ecotourist behaviour and visitor experiences and reflections on the practice of ecotourism in a range of different contexts The Handbook is designed to be a valuable reference book for tourism scholars and researchers

Principles and Ethics of Tour Guiding Zenaida Lansangan-Cruz, 2008

The Routledge Companion to Tour Guiding Shailja Sharma, 2025-08-29 This comprehensive handbook offers an in depth exploration of both the theoretical and practical dimensions of tour guiding as a profession It provides readers with valuable insights into examining the key and dynamic role of tour guides in the tourism industry and the evolving expectations of modern travelers Enriched with global case studies spanning a diverse range of niche tours offered as tourism products around the world the book highlights emerging trends and the importance of continuous skill development in the profession It covers topics such as pre tour preparations the art of effectively opening and closing tours engaging narration at attractions the importance of technology for tour guides and the nuances of managing diverse groups Additionally it delves into the growing practice of virtual tour guiding and offers practical guidance on addressing guest inquiries managing grievances and handling emergencies besides addressing the new emerging trends in the field of tour

guiding This companion is designed for students and educators in tourism travel and hospitality management programs worldwide It serves as a valuable training manual for national regional and local tourism authorities as well as tour operators and travel agencies Furthermore both seasoned professionals and aspiring tour guides will find it an essential reference to refine their skills and stay updated with contemporary best practices **Tourism in China** Chris Ryan,() (Sam)

Huang,2013-06-07 This book offers an in depth understanding of tourism development and destination planning in China s transitional economy It represents an international collaboration between researchers both in and outside China and provides a unique platform for a broad international audience to better understand China and China tourism issues

Demystifying Theories in Tourism Research Kelly Bricker,Holly Donohoe,2015-12-04 It often seems that there is more confusion than consensus regarding tourism theory Does tourism have theories it can truly own or does it just borrow from other academic disciplines It can be difficult to understand the theories and conceptual frameworks available and how to apply these ideas to a research endeavour This book reviews theoretical perspectives on tourism from planning and management through marketing and host communities to the tourism consumers themselves Covering issues such as tour guiding rural tourism development and destination image it provides a complete guide to the industry Including pedagogical features throughout this book is an accessible approach to a controversial subject **Quality Assurance and Certification**

in Ecotourism Rosemary Black,Alice Crabtree,2007 Genuine ecotourism can have many positive impacts particularly the conservation of biodiversity and cultural heritage and the creation of economic opportunities for local communities While promoting these it aims to eliminate negative impacts such as environmental degradation cultural commoditisation and playground effects Unfortunately the concept is broadly misunderstood and its true definition is widely debated It is often used as a marketing tool with some operators taking advantage of the ecotourism label to attract more business while behaving in environmentally irresponsible ways This book considers the important topic of quality control and accreditation in ecotourism describing the mechanisms that can be implemented to ensure quality in all aspects of the industry namely protected areas businesses products and tour guides Promoting Creative Tourism: Current Issues in Tourism Research
