Catalogue Montgomery Ward,1926 **Schoolgirls, Money and Rebellion in Japan** Sharon Kinsella,2013-11-07 Japanese society in the 1990s and 2000s produced a range of complicated material about sexualized schoolgirls and few topics have caught the imagination of western observers so powerfully While young Japanese girls had previously been portrayed as demure and obedient in training to become the obedient wife and prudent mother in recent years less than demure young women have become central to urban mythology and the content of culture The cultic fascination with the figure of a deviant school girl which has some of its earliest roots in the nineteenth and early twentieth centuries likewise re emerged and proliferated in fascinating and timely ways in the 1990s and 2000s Through exploring the history and politics underlying the cult of girls in contemporary Japanese media and culture this book presents a striking picture of

contemporary Japanese society from the 1990s to the start of the 2010s At its core is an in depth case study of the media delight and panic surrounding delinquent prostitute schoolgirls Sharon Kinsella traces this social panic back to male anxieties relating to gender equality and female emancipation in Japan In each chapter in turn the book reveals the conflicted nostalgic pornographic and at times distinctly racialized manner in which largely male sentiments about this transformation of gender relations have been expressed The book simultaneously explores the stylistic and flamboyant manner in which young women have reacted to the weight of an obsessive and accusatory male media gaze Covering the often controversial subjects of compensated dating enjo k sai the role of porn and lifestyle magazines the historical sources and politicized social meanings of the schoolgirl and the racialization of fashionable girls Schoolgirls Money Rebellion in Japan will be invaluable to students and scholars of Japanese culture and society sociology anthropology gender and women s studies **The**

The Female missionary intelligencer ,1877 *Disenchantment (□ □) Vol. I: Fracture (1980-1983)* By Zhang Kangkang,2025-09-18 This is a book about memory and forgetting The 1980s grow increasingly distant occasionally returning with wind and snow but transformed to dust or drizzle or wavering suspended in the tainted air like a deathless specter That decade marking the end of our youth has the desolate beauty of an elegy ushering in our middle age it has the solemn and stirring quality of a processional Gravity has smashed the past into fragments that only words can laboriously piece together While knowing that it is merely a pointless addendum a futile reboot a belated tribute I have stubbornly

attempted to look back and write this book Luo Yi once said History is essentially a court that is constantly in retrial One person s biased and narrow memories are trivial against the grand and stirring historical narrative written by the victors But I ve always forgotten what should be remembered and remembered what should be forgotten The opus magnum of a writer who has experienced the whole period of the communist regime in China Disenchantment is filled with scenes and stories oozing authenticity Michel Bonnin The author deconstructs the enchantment of ideology and reveals the brutal political violence of this period through the backgrounds and stories of her characters Su Xiaokang A stellar contribution to Chinese literature and the understanding of contemporary Chinese history Michael Duke A courageous and important work which deserves to be published in the Chinese speaking world and beyond Richard King An epic of an extraordinary age of great transformations and convulsions Bernadette Y Li A Chinese version of Doctor Zhivago David Rong How to Keep Rolling After a Fall Karole Cozzo,2016-08-02 The party was at her house The photos were posted to her Facebook account That s all the evidence anyone needed to condemn Nikki Baylor for a cyberbullying incident that humiliated a classmate and nearly resulted in the girl s suicide Now Nikki s been expelled from her old school her friends have abandoned her and even her own parents can t look her in the eye With her plans for the future all but destroyed Nikki resigns herself to being the girl everyone hates almost as much as she hates herself But then Nikki meets Pax a spirited wheelchair rugby player who knows what it s like when one mistake completely shatters your life Refusing to judge her because of her past he shows her that everyone deserves a second chance and everyone deserves to be loved **Australian Industry ... ,1906** **Escape to Freedom** Sophia B.
