Roman Catholic Calendar For 2014:

Moments and Days Michelle Van Loon, 2016 Michelle Van Loon helps us treasure our time as a gift and a spiritual responsibility and God as faithfully present in all our moments and days People rarely slow down to experience their days and so they feel rushed through life even as they begin to suspect that life lacks significance By introducing and reintroducing us to the feasts and festivals of the Bible as well as the special celebrations of the Christian calendar Moments and Days restores a sacred sense of time throughout our year enriching our experience of each holy day and enlivening our experience of even the most ordinary time

Sting and Religion Evyatar Marienberg, 2021-01-06 On the back cover of one of his most groundbreaking solo albums Nothing like the Sun of 1987 Sting Gordon Matthew Sumner b 1951 in Wallsend UK somberly stands close to a statue of Mary the mother of Jesus The album was released a few months after his own mother Audrey died The picture was taken on the island of Montserrat where he was recording the album apparently on the day of her death I said goodbye to my mother as I had a recording date in Montserrat and she died a week later When asked by the author if his mother was particularly connected to Mary and if this was why he chose this image he replied No but I did This evocative photograph and Sting's quick answer encapsulate the two pillars of this book a microhistory of a specific British Catholic parish in the 1950s 60s and the impact that growing up there had on Sting's artistic output And beyond that this book opens a window onto the influence of Catholic education and imagination on millions of less famous people who had similar upbringings

Generous Orthodoxies Paul Silas Peterson, 2020-04-30 After the birth of the Protestant ecumenical movement in the late nineteenth and early twentieth centuries and following the first great wave of universal Christian ecumenism in the 1960s and 1970s after the Second Vatican Council prominent theologians of nearly every ecclesial tradition charted new territory in the last decades of the twentieth century They crossed boundaries within their own ecclesial traditions and built bridges to other Christian churches churches that were once excluded from fellowship In the development of these new programs of ecumenical theology the theologians redefined their own confessional identities and in many cases crossed the liberal conservative divide within their own traditions This volume introduces this fascinating dynamic of theological mediation redefinition and generosity It shows how the ecumenical impulses which were directed outwardly to other traditions had reflexive effects inwardly Working in the realms of both historical and systematic theology the essays in this volume provide a critical analysis of the history of this general theological sentiment and offer an outlook for its future Contributors Brian D McLaren Foreword Paul Silas Peterson Introduction Part One Ecumenical reform theologies Andrew Meszaros Yves Congar The Birth of Catholic Ecumenism Matthew L Becker Edmund Schlink Ecumenical Theology Dorothea Sattler Otto Hermann Pesch Ecumenical Scholasticism Ronald T Michener George Lindbeck Ecumenical Unity through Ecclesial Particularity Nikolaos Asproulis John D Zizioulas A Pioneer of Ecumenical Dialogue and Christian Unity Part Two Overcoming liberal conservative polarities Ben Fulford Hans Frei Beyond Liberal and Conservative Friederike

Catholic Education in the Wake of Vatican II

Rosa Bruno-Jofre,Jon Igelmo Zaldivar,2017-09-18 The Second Vatican Council Vatican II called by Pope John XXIII in 1959 produced sixteen documents that outlined the Church s attempts to meet increasing calls for modernization in the wake of social and cultural changes that were taking place in the twentieth century Catholic Education in the Wake of Vatican II is the first work dedicated to the effects of the Second Vatican Council on catholic education in various national and cultural contexts These original pieces grounded in archival research explore the social political and economic repercussions of Catholic educational changes in Canada Europe and South America The volume provides insightful analysis of many issues including the tensions between Catholicism and Indigenous education in Canada the secularization of curriculum in the Catholic classroom Church State relations and more The contributors reveal the tensions between doctrinal faith and socio economic structures of privilege found within the Church and introduces the reader to complex political interactions within the Church itself in the midst of a rapid era of secularization

Heirs to Forgotten Kingdoms Gerard Russell,2015-12-01 Despite its reputation for religious intolerance the Middle East has long sheltered many distinctive and strange faiths one regards the Greek prophets as incarnations of God another reveres Lucifer in the form of a peacock and yet another believes that their followers are reincarnated beings who have existed in various forms for thousands of years These religions represent the last vestiges of the magnificent civilizations in ancient history Persia Babylon Egypt in the time of the Pharaohs Their followers have learned how to survive foreign attacks and the perils of assimilation But today with the Middle East in turmoil they face greater challenges than ever before In Heirs to Forgotten Kingdoms former diplomat Gerard Russell ventures to the distant nearly impassable regions where these mysterious religions still cling to survival He lives alongside the Mandaean and Ezidis of Iraq the Zoroastrians of Iran the Copts of Egypt and others He learns their histories participates in their rituals and comes to understand the threats to their communities Historically a tolerant faith Islam has since the early 20th century witnessed the rise of militant extremist sects This development along with the rippling effects of Western invasion now pose existential threats to these minority faiths And as more and more of their youth flee to the West in search

of greater freedoms and job prospects these religions face the dire possibility of extinction Drawing on his extensive travels and archival research Russell provides an essential record of the past present and perilous future of these remarkable religions

Catholics and Anti-Catholicism in Chosŏn Korea Don Baker, Franklin Rausch, 2018-10-31 Korea's first significant encounter with the West occurred in the last quarter of the eighteenth century when a Korean Catholic community emerged on the peninsula Decades of persecution followed resulting in the deaths of thousands of Korean Catholics Don Baker provides an invaluable analysis of late Chosŏn 1392-1897 thought politics and society to help readers understand the response of Confucians to Catholicism and of Korean Catholics to years of violent harassment His analysis is informed by two remarkable documents expertly translated with the assistance of Franklin Rausch and annotated here for the first time an anti-Catholic essay written in the 1780s by Confucian scholar Ahn Ch'ngbok 1712-1791 and a firsthand account of the 1801 anti-Catholic persecution by one of its last victims the religious leader Hwang Say'ng 1775-1801 Confucian assumptions about Catholicism are revealed in Ahn's essay *Conversation on Catholicism* The work is based on the scholar's exchanges with his son-in-law who joined the small group of Catholics in the 1780s Ahn argues that Catholicism is immoral because it puts more importance on the salvation of one's soul than on what is best for one's family or community Conspicuously absent from his *Conversation* is the reason behind the conversions of his son-in-law and a few other young Confucian intellectuals Baker examines numerous Confucian texts of the time to argue that in the late eighteenth century Korean Confucians were tormented by a growing concern over human moral frailty Some among them came to view Catholicism as a way to overcome their moral weakness become virtuous and in the process gain eternal life These anxieties are echoed in Hwang's *Silk Letter* in which he details for the bishop in Beijing his persecution and the decade preceding it He explains why Koreans joined and some abandoned the Catholic faith and their devotion to the new religion in the face of torture and execution Together the two texts reveal much about not only Korean beliefs and values of two centuries ago but also how Koreans viewed their country and their king as well as China and its culture
