

ISEE ESSAY EXAMPLE

Prompt: What would you like to do to make the world a nicer place in which to live? Explain.

The quote "The world becomes a better place if you make yourself a better person." I feel that this phrase is comparable to a garden. It is filled with a lot of things. Just like you have a choice as to what you will put in your garden, you also have the last say as to what you want to do with your life. It is obvious that we need to make decisions every day. It is up to each and every one of us whether or not we would make the right ones. I believe that we can make our world a nicer place to live by being a positive contribution to the society. This may be done by doing volunteering work, spending time for charitable purposes, as well as giving a kind word to other people.

For instance, we can donate our time in several forms. If we have the resources for it, we can also give our money or goods to local food banks, not just during holiday seasons, but in other times of the year as well. Rather than leaving clothes we do not use dusted in our closet, we can donate them to local facilities that provide assistance to that in need.

Aside from giving material things, lending a kind word to somebody who needs it is also a way to make our world a better place to live in. We can give our genuine smile along with a positive compliment. It can already go a long way. Rather than criticizing others, we can be positive instead. We can make people laugh rather than complaining about what is happening in our life. If each person contributes these things to the society, we can have a more balanced, and a kinder world, a better place to live in.
