To Whom It May Concern:

I am writing regarding Jasmine Jones's application for independent override for the Tuition Assistance Program. This is the second notarized letter I have sent to your office regarding Jasmine's status as an independent student. The original letter was sent on April 30, 2011.

Jasmine is currently attending SUNY Albany. Her social security number is 123-45-6789.

As Jasmine's counselor at Options, a free college counseling program of Goddard Riverside Community Center, I have been working intensely with her over the last six months. Through the counseling process I have come to know her family situation, as it would affect her ability to apply for financial aid. (I have also referred her to the social worker at our agency for additional support and information.) I will outline Jasmine's situation as clearly as I can in this letter.

When Jasmine was born, in 1992, she was immediately taken in by her great-grandparents in Florida because her mother was unable to care for her. Jasmine lived with her great-grandparents until 2001, when she moved to New York City, at the age of nine. Her mother had since moved to NYC and decided she wanted Jasmine to live with her. At that point Jasmine mother had four children, though they had all been raised by other people. The oldest boy had been adopted by his aunt.

The reality has been, for Jasmine's whole life her mother has not been her parent in the sense of taking responsibility for her. From the time she moved to NYC through her junior year in high school, Jasmine has struggled to find stability, safety, and support at home. But her mother's ability to provide a stable home life was completely impeded by the boyfriends she chose. Jasmine had different men living at home, the most recent one being the most troubling. His alcoholism affected the whole family. The worst behavior was his violent, verbal abusive of her mother. Jasmine has said it is no wonder that her brothers had trouble in school because there was no safe, quiet place to do homework.

When Jasmine was 17, in 2009, she knew that she could not survive any longer in the caustic environment of her mother's apartment. She did not feel safe, nor could she attend to her schoolwork. To feel safe and positively motivated, she was forced to move out. She moved in with a close friend whose own mother was critically ill. Because the friend's mother has been hospitalized for the last two years, the two girls have essentially taken care of each other. Their difficult life situations have brought out their inner strength.
