

A Prayer for Graduation

Heavenly Father,

Give grace and courage to the ones who have worked hard and now greet this special time of graduation.

We thank you for protecting and guiding them to this point. All praise and glory to You!

Inspire the graduates to put to good use all the knowledge, skills and life lessons gained through their education.

Most importantly, as they face unknown challenges moving on, help them to keep dear the greatest wisdom of all -that of knowing Jesus and the power of the Cross!

A chapter has closed and another eagerly awaits. Pave their road with opportunities and inspire them to live with hope in this incredible journey called life.

Continue to bless the graduates with love, protection, mercy, strength and wisdom.

May they live passionately to honor and glorify Your name. In Jesus' name, Amen.

Church and State in American History John Wilson, Donald Drakeman, 2019-10-31

Church and State in American History illuminates the complex relationships among the political and religious authority structures of American society and illustrates why church state issues have remained controversial since our nation's founding. It has been in classroom use for over 50 years. John Wilson and Donald Drakeman explore the notion of America as One Nation Under God by examining the ongoing debate over the relationship of church and state in the United States. Prayers and religious symbols in schools and other public spaces, school vouchers and tax support for faith-based social initiatives continue to be controversial as are arguments among advocates of pro-choice and pro-life positions. The updated 4th edition includes selections from colonial charters, Supreme Court decisions and federal legislation along with contemporary commentary and incisive interpretations by modern scholars. Figures as divergent as John Winthrop, Anne Hutchinson, James Madison, John F. Kennedy and Sandra Day O'Connor speak from these pages as do Robert Bellah, Clarence Thomas and Ruth Bader Ginsberg. The continuing public and scholarly interest in this field as well as a significant evolution in the Supreme Court's church-state jurisprudence renders this timely re-edition as essential reading for students of law.

The First Amendment: Cases and Theory, **Religion, Education and the State** Mark Strasser, 2016-04-08. In the context of education, Church and State issues are of growing importance and appear to be increasingly divisive. This volume critically examines the developing jurisprudence relating to religion in the schools, beginning with *Everson v. Board of Education*, where the US Supreme Court discussed the wall of separation between Church and State. The study traces both how the Court's views have evolved during this period and how, through recharacterizations of past opinions and the facts underlying them, the Court has appeared to interpret Establishment Clause guarantees in light of the past jurisprudence when in reality that jurisprudence has been turned on its head. The Court not only offers an unstable jurisprudence that is more likely to promote than avoid the problems that the Establishment Clause was designed to prevent but approaches Establishment Clause issues in a way that decreases the likelihood that an acceptable compromise on these important issues can be reached. The study focuses on the situation in the US but the important issue of religion education and the state has great relevance in many jurisdictions.
