

Litany for Dedication

By Jeremy Bellsmith

Chairs for the sanctuary; a new font; a sound system; a new space for teenagers. Whenever something new comes into the church, we have an opportunity to think about God's goodness.

This is often done through a service of dedication. In giving thanks and declaring the purpose for these things, we recall who gives gifts, to whom we belong, and for whom we are called.

We invite you to adapt the litany below to your purposes, or use the service as a launching point for writing your own litany of dedication.

1. Scripture sentence

The minister/leader says

Let the favor of the Lord our God be upon us, and prosper for us the work of our hands.
(Psalm 90:17)

OR

Every generous act of giving, with every perfect gift, is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change. (James 1:17)

OR

All shall give as they are able, according to the blessing of the Lord your God that he has given you. (Deuteronomy 16:17)

OR

Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received. (1 Peter 4:10)

2. Prayers

The minister/leader says

Gracious and merciful God,
you make all things perfect by your love.
Because of your grace and blessing
we ask for your help with confidence
that all we are about to do may please you
and bring glory to your name
through Jesus Christ our Lord. Amen

OR

Ever present God,
you have been with us throughout our days
like a parent to a child.
You lavish gifts on us.
As we gather to receive this gift,

Standing Naked Before God Molly Phinney Baskette, 2015-06-19 Confess Forget the docile confessions of Sunday liturgy and lay it all bare before God and one another With wit grace and a healthy dose of vulnerability Molly Baskette shares the story of how her church grew in membership and fellowship through a radical style of confession This sequel to Real Good Church features First Church Somerville UCC s counter cultural practice of public confession of sin which is the most essential of the 200 turnaround practices in Real Good Church By showing up and telling the truth the whole truth our churches can finally become places of real authenticity for millennials and Gen Xers looking for a hypocrisy shedding fully integrated spirituality Includes a how to for reluctant churches and a moving anthology of testimonies <https://www.youtube.com/watch?v=YUXvKQ0AZJQ> feature you tube **Your Church** ,1960 **Church & Synagogue Libraries** ,1994

Christian Worship Franklin M. Segler, Randall Bradley, 2006-10-01 A classic treatise on the meaning expression planning and leading of Christian worship originally written by the late Franklin Segler and now updated by Randall Bradley for this third edition with more emphasis on contemporary issues **Dedications and Readings for Church Events** Manfred Holck, 1991 Wisconsin Congregational Church Life ,1944 *Chicago Theological Seminary Register* ,1975 The Missionary Herald at Home and Abroad ,1945 **The Souls of W.E.B. Du Bois** Edward J. Blum, Jason R. Young, 2009 This title presents new evaluations on the significance of Du Bois The Souls of W E B Du Bois is a collection of articles that treat Du Bois on the subject of religion by reintroducing his life and work to an audience that may be familiar with his work generally but may never have seen analyses of his study of religion Because the project includes articles that examine both Du Bois personal religious life along with his examination of religion the editors seek to add not only to our knowledge of Du Bois scholarly contributions but also hope to shed light on his personal life and religiosity Also in treating the biography and career of a thinker whose work covers much of the twentieth century the editors intend this work to address larger issues related to religion in the United States over the course of the century Just as Du Bois foresight predicted a century marred by racial violence so his varied explorations into the role of religion in the modern world anticipated the rise of contemporary tensions borne of the global circulation of corporate capital and commerce of religious fundamentalism and evangelical theology Indeed Du Bois identified the critical paradox and presumed contradiction between America s religious legacy built on morality justice and equality with the country s impending devotion to progress modernity and money Throughout his life and writing Du Bois explored the special tensions that erupted in a nation bowing before two gods Unfortunately scholarly treatment of both Du Bois critical writings on religion as well as his own personal religious development has been relatively lacking The soulful side of the man whose most famous work was about the souls of black folk in short has been largely neglected *Launching the Church School Year* Joseph John Hanson, Kenneth D.
