

Persuasion Letter Example

Dear Reader,

As we know, money is the basic requirement to fulfill other desires of your life. However, we usually spent most of our life in slaving for others. We kept on working for them, but still they do not pay good deeds to us. Even many of them do not even appreciate our work. However, on the next side, you will even find people who have found the best ways to lead their lives.

But this letter is for those who wanted to live their lives on their terms. We generally have good examples of those who work only when they like and when they want. They earn good and fulfil their desires in a go. Those people live their lives as they want and enjoy them.

Here we are to give you tips to be happy and successful always. You will face several problems every year and certain moments when you need assistance. We are ready to help you in such situations and let you live as you like.

Thank You

Sample Of Persuasive Letter To Famous Person:

To the Letter Simon Garfield,2013-11-14 The New York Times bestselling author of Just My Type and On the Map offers an ode to letter writing and its possible salvation in the digital age Few things are as exciting and potentially life changing as discovering an old letter And while etiquette books still extol the practice letter writing seems to be disappearing amid a flurry of e mails texting and tweeting The recent decline in letter writing marks a cultural shift so vast that in the future historians may divide time not between BC and AD but between the eras when people wrote letters and when they did not So New York Times bestselling author Simon Garfield asks Can anything be done to revive a practice that has dictated and tracked the progress of civilization for more than five hundred years In To the Letter Garfield traces the fascinating history of letter writing from the love letter and the business letter to the chain letter and the letter of recommendation He provides a tender critique of early letter writing manuals and analyzes celebrated correspondence from Erasmus to Princess Diana He also considers the role that letters have played as a literary device from Shakespeare to the epistolary novel all the rage in the eighteenth century and alive and well today with bestsellers like The Guernsey Literary and Potato Peel Pie Society At a time when the decline of letter writing appears to be irreversible Garfield is the perfect candidate to inspire bibliophiles to put pen to paper and create a form of expression emotion and tactile delight we may clasp to our heart **Powerful**
