Obama Nation II Judgment Day:

Judgement Day Paul Collins, 2010-10 Global warming is now a reality that looms over us and ecological devastation continues apace Now more than ever there is clear recognition that we face a crisis But who is to blame for this crisis In this bold challenging and provocative book Paul Collins argues that Christianity has made a major contribution to the plight of the planet and must come to terms with a disaster that is now also the responsibility of the church **2012 Global Warning**

John W. Edwards III, 2010-03-11 2012 Global Warning The destination or the beginning of the apocalypse Ninth and Last Sign You will hear of a dwelling place in the heavens above the earth that shall fall with a great crash It will appear as a blue star And very soon after this the ceremonies of people will cease There are nine signs that great destruction has come and is coming Like many tribes the Hopis drew images that have come to pass and images of things to come Thirteen Baktuns is equal to just over 5 125 years and in our present age of the jaguar the fourth age the Great Cycle runs out on the winter solstice December 21 2012 the Mayan end date The meaning is the death of the sun the rebirth of a universe and the Mayan Prophecy of the return of the god Quetzalcoatl all this is the subject of active debate This time will also mark a United States change in era where we will elect a new President Is this the prophecy of the Antichrist Could it be the end of one time and the beginning of the final stages of centuries of prophecies *Discerning President Obama's National Security Strategy*

Kristen E. Boon, Douglas C. Lovelace, Aziz Z. Huq, 2010 Volume 111 of Terrorism Commentary on Security Documents *Discerning President Obama's National Security Strategy* makes available documents from the first fifteen months of the Obama administration that provide insights into its developing national security strategy Included are documents that include detailed intelligence estimates and strategies as well as documents that outline important lessons regarding stability and reconstruction in Iraq Additional documents provide valuable insight into the Obama Administration's Afghanistan and Pakistan Strategy General Editor Douglas Lovelace an expert in U S military matters elucidates the complexities of military spending and of counter insurgency tactics **Race and the Obama Phenomenon** G. Reginald Daniel, Hettie V.

Williams, 2014-07-17 The concept of a more perfect union remains a constant theme in the political rhetoric of Barack Obama From his now historic race speech to his second victory speech delivered on November 7 2012 that striving is evident Tonight more than two hundred years after a former colony won the right to determine its own destiny the task of perfecting our union moves forward stated the forty fourth president of the United States upon securing a second term in office after a hard fought political contest Obama borrows this rhetoric from the founding documents of the United States set forth in the US Constitution and in Abraham Lincoln's Gettysburg Address How naive or realistic is Obama's vision of a more perfect American union that brings together people across racial class and political lines How can this vision of a more inclusive America be realized in a society that remains racist at its core These essays seek answers to these complicated questions by examining the 2008 and 2012 elections as well as the events of President Obama's first term Written by preeminent race

scholars from multiple disciplines the volume brings together competing perspectives on race gender and the historic significance of Obama s election and reelection The president heralded in his November 2012 acceptance speech The idea that if you re willing to work hard it doesn t matter who you are or where you come from or what you look like whether you re black or white Hispanic or Asian or Native American These essayists argue the truth of that statement and assess whether America has made any progress toward that vision The Black Muslim Manifesto I Lukman,2012-05-11 The compilation of a decade of essays and online ideological struggle with members of Lukman s e mail chat group formed the basis for The Black Muslim Manifesto From Inside the Belly of the Beast The continuation of that process has called The Black Muslim Manifesto II A Luta Continua into existence Since the publication of the first Manifesto Lukman has continued his analysis of the unfolding global dynamic Additionally time has born witness to the accuracy of some of the Manifesto s prognostications For example we no longer have to speculate about what Obama will do once he s in the WHITE House Lukman is proud but not happy to say that he was one of the few who was NEVER deceived by the Obama Ploy Lukman felt compelled to rush A Luta Continua to print because much of his analysis in Manifesto II has already proven to be prescient Events are moving forward at such a rapid pace that many of his predictions have become history Lukman didn t want to be accused of that for which he condemns our rearguard leadership namely Monday Morning Quarterbacking *The Progressive Revolution* Ellis Washington,2016-12-13 His tenth book The Progressive Revolution Volume V continues his legal historical and literary series based on Natural Law Natural Rights and the original political philosophy of the constitutional Framers and original jurisprudence of the U S Supreme Court Washington systematically chronicles both the historical significance and political deconstruction that the Progressive Revolution or the Progressive Age circa 1860 present has perpetrated against Western Civilization and American society even to this day These volumes are a collection of selected essays articles and Socratic dialogues from Washington s weekly columns published in RenewAmerica com an essential news and opinion website of primarily conservative writers and ideas This opus Volume V 2014 15 Writings which rather than being arranged chronologically by date are organized topically according to their subject matter of 16 intellectual disciplines including Law Politics Foreign Policy Philosophy Aesthetics the Academy Religion Economics Science Medicine Math Engineering Culture Society History and Legal Scholarship The Obama Doctrine Michelle Bentley,Jack Holland,2016-07-28 President Obama s first term in office was subject to intense criticism not only did many feel that he had failed to live up to his leadership potential but that he had actually continued the foreign policy framework of the George W Bush era he was supposed to have abandoned This edited volume examines whether these issues of continuity have been equally as prevalent during the president s second term as his first Is Obama still acting within the foreign policy shadow of Bush or has he been able to establish his own approach towards international affairs distinct from his predecessor Within this context the volume also addresses the idea of legacy and whether Obama has succeeded in establishing his own distinct foreign policy doctrine In

addressing these questions the chapters explore continuity and change from a range of perspectives in International Relations and Foreign Policy Analysis which are broadly representative of a spectrum of theoretical positions With contributions from a range of US foreign policy experts this book will be of great interest to students and scholars of US foreign policy Foreign Policy Analysis and American politics Safe: How I Got Here Sandra Rosetta Morris,2023-08-25 About the Book Sandra Rosetta Morris shares the story of her life her family history and her take on philosophy After discovering H I M God she writes what she has been through and what she has learned from Him Sandra s book proves that there is only one God and Satan is very much present Morris s words will cause a change of heart and mind About the Author Sandra Rosetta Morris worked as a nurse for twenty four years She left the nursing profession to follow her dream of becoming a writer Morris is the mother to four children *Conspiracies and Secret Societies* Brad Steiger,Sherry Steiger,2012-06-01 The invisible world of influence and power revealed Hidden agendas uncovered Examines 250 current and historical conspiracies secret cabals and powerful groups Startling allegations Suppressed evidence Missing witnesses Assassinations Cover ups and threats Documented connections to an even deeper intrigue Allusions to the New World Order Coincidences Too many to be mere coincidence American history is replete with warnings of hidden plots by the Illuminati the Freemasons the Zionists the Roman Catholics the Communists World Bankers the Secret Government and Extra Terrestrial Invaders to name a few Separating fact from fiction this compelling work provides gripping details and presents the information without bias including hundreds of individuals organizations and events where official claims and standard explanations of actions and events remain shrouded in mystery *Conspiracies and Secret Societies The Complete Dossier* examines the most common subjects among conspiracy theorists probing and thoroughly examining cases of conspiracies and dark doings of secret societies Bring yourself up to date with the latest research and findings into historical topics plus current issues including Historical riddles the Ark of the Covenant the Holy Grail Noah s Ark the Sphinx alchemy the true relationship between Jesus and Mary Magdalene and the churches dedicated to the Black Madonna Classified background on U S Presidents Lincoln Kennedy Eisenhower Obama Reagan their advisers and more Powerful secret societies and groups the Knights Templar Freemasons Illuminati the Triads the Rosicrucians the Skull and Bones Society Scientology the Falun Gong the New World Order and Lightning from the East Government cover ups electronic spying MKUltra the John F Kennedy and Martin Luther King Jr assassinations Area 51 extraterrestrial invaders black helicopters satellite snooping FEMA the Global Bank and the Trilateral Commission Terrible secrets the BP oil spill Unit 731 and germ experiments the 2011 tsunami in Japan and Hurricane Katrina Science mysteries biochip implants genetic manipulation weather control mad cow disease AIDS HIV West Nile virus and the bizarre Morgellons disease The only way to crush these secret plots is to bring the facts to light Don t let history repeat itself Knowledge is our best weapon against these people groups and their nefarious schemes

National Security Intelligence Loch K. Johnson,2024-07-04 National security intelligence is a vast complex and intriguing

topic made doubly hard for citizens to understand because of the thick veils of secrecy that surround it In the third edition of his authoritative introduction to the field world renowned intelligence expert Loch K Johnson guides readers skilfully through this shadowy side of government Drawing on over forty years of experience studying intelligence agencies and their activities he explains the three primary missions of intelligence before addressing the wider dilemmas of accountability posed by the existence of secret government organizations embedded in open democratic societies Recent developments examined in this new edition include the dysfunctional relationship between the White House and America s secret agencies and fresh threats to democratic societies posed by authoritarian regimes The new edition also offers in two separate chapters an expanded exploration of intelligence collection and analysis as well as new insights into covert action from the use of propaganda and political operations to the overthrow of governments and assassination plots against foreign leaders Throughout its pages the book unpacks the ethical dilemmas of secret activities in the quest of global political and military objectives It also gets to grips with the inevitable mistakes that are made in assessing world events why some intelligence officers become traitors against their own countries by spying on behalf of foreign regimes and how spy agencies can fall into scandalous behavior including highly intrusive surveillance and harassment against the very citizens they are meant to protect Comprehensively revised and updated throughout *National Security Intelligence* is a vital resource for anyone with an interest in how nations shield themselves against threats through intelligence organizations and operations and how they strive for safeguards to prevent the misuse of this secret power

Pedersen,2009-04-14 The year 2008 will be remembered as the moment when the US elected its first African American president This revealing book seeks to place the extraordinary rise of Barack Obama within the larger context of a possible historic political realignment in the US and of limits to US power in the world For 2008 also offered a number of history lessons that will surely inform studies of the election and its aftermath Carl Pedersen s book is an attempt to engage with these history lessons It examines the demographic changes that will likely change the nature of American national identity

And it assesses the extent to which the grassroots organizations that were crucial in winning the election for Obama may influence the way he will govern the nation Obama's America also attempts to map out the contours of an Obama Doctrine in foreign policy by looking at how his identity has shaped his views on the role of the US in the world and how he in turn has been influenced by his foreign policy advisers It examines the challenges Obama faces in confronting a post American world in which the US is no longer the sole superpower Will Obama be a transformative president **Religion, Race, and**

Barack Obama's New Democratic Pluralism Gastón Espinosa, 2013 Annotation This edited volume demonstrates how Obama charted a new course for Democrats by staking out claims among moderate conservative faith communities and emerged victorious in the presidential contest in part by promoting a new Democratic racial ethnic and religious pluralism

Just Peace Theory Book One Valerie Elverton Dixon, 2012-11 In these essays I often refer to social contracts such as the Declaration of Independence the Constitution of the United States the Universal Declaration of Human Rights and other international conventions that describe a vision of just human relations especially in the area of culture and health care We do not live behind a veil of ignorance where we enter into contemplation of questions of right and wrong without an awareness of our own particularities Moreover we do not always determine what is right based on reason But we do make decisions every day about how we will live within the social contracts that govern our lives Many of us go along to get along with a let's not rock the boat preserve the status quo caution Then there are those of us who use the documents of our social contracts to secure more justice and more peace The purpose is to rock the boat and to disrupt the status quo when it is unjust I understand Christ as a title not as a person It is a designation of an anointing This in my opinion is the anointing of radical love Christ is the human incarnation of divine love We each ought to strive to become this whether or not we are Christian whether or not we are even believers Those of us who are Christians believe that Jesus paid it all There is no more need for blood shed sacrifice Murder is never holy God does not need it or want it Our work now is to become living sacrifices that will redeem this world through justice and peace That is the meaning of these essays From the Introduction
