The Biker Who Shot Me Michel Auger,2012-02-08 On September 13 2000 Michel Auger was walking away from his car in a parking lot across the street from the offices of Le Journal de Montr al when he was shot in the back six times Miraculously although at least one bullet lodged in his spine no vital organs were damaged Auger was on his feet again within weeks and able to resume his normal life The practice of journalism is dangerous in many parts of the world But in Canada The idea that an assassin would attempt to take the life of a journalist because of something he wrote is almost unthinkable Either a deadly new threat has appeared on the scene or Michel Auger has learned something that is truly dangerous to know Or perhaps both propositions are true Michel Auger has been a crime reporter for some 30 years He has

covered mafia trials and corruption scandals notorious murders and government inquiries What he has seen and recorded has ranged from the sordid to the bizarre He has interviewed notorious criminals like Alvin Creepy Karpis a member of the Ma Barker gang whose capture helped make J Edgar Hoover s name and infamous Canadians like the Montreal drug dealer Lucien Rivard who escaped from Bordeaux jail while awaiting extradition to the United States He has travelled to the Far East to see for himself where the drug trade begins and to Sicily where he traced the origins of organized crime Michel Auger s knowledge of Canada s underworld is as comprehensive as that of any reporter alive In recent years he has developed a particular interest in the criminal activities of biker gangs especially the Hell s Angels and their rivals the Rock Machine Without a doubt it was his series of articles in the spring of 2000 about the growing links between the Angels and other criminal organizations that led to the attempt on his life Both the threat to civil society posed by the Angels and Michel Auger s knowledge of their affairs had become so great that violence was the natural outcome But amazingly Michel Auger survived the attempt on his life In this frank fascinating and sometimes funny memoir he tells about the bad guys he has known the strange scenes he has witnessed and above all the true story of his deadly encounter with the bikers **Until**

The East End Jason Allen, 2019-05-07 Every page is filled with wise insights about social class and the human heart. Bonnie Jo Campbell, National Book Award finalist. Corey Halpern, a local high schooler, grew up working class in the Hamptons and is desperate to leave his home town and start anew somewhere else. The summer before college, he finds escapism in sneaking into neighboring mansions and pocketing small items. One night just before Memorial Day weekend, he breaks into the wrong home at the wrong time, the Sheffield estate, where he and his mother, Gina, work. Under the cover of darkness, Leo Sheffield, patriarch and billionaire CEO, arrives unexpectedly with a companion. After a shocking poolside accident, Leo is desperate to cover up what happened before his family and friends arrive for the holiday weekend. Unfortunately for him, Corey saw everything as did other eyes in the shadows. Secrecy, obsession, and desperation dictate each character's path in this spectacular debut. With an ending as explosive as the Memorial Day fireworks on the island, *The East End* is an unforgettable debut about class, family secrets, and the desire to belong.
