Its aims, functions and methods** Mandy Witt,2021-02-02 Academic Paper from the year 2020 in the subject

Leadership and Human Resources Leadership grade 1 4 Mendel University course PEFNet2020 language English abstract

This term paper is about the process of employee performance appraisals To this purpose the author starts with the disambiguation of essential terms and definitions as well as with the explanation of employee performance appraisal aims and functions Subsequently the process of an employee performance appraisal is discussed as well as the different appraisal methods Finally potential sources of error and possible biases are analysed Nobody is beyond jumping to conclusions thus often adjudicating wrongly Whenever people meet regardless of private or professional context they use to assess to adjudicate or to condemn In order to make the evaluation of another person less difficult people use to lapse into clichés and stereotypes In spite of all efforts to evaluate the employee's performance in a fair objective and factual way performance appraisals always represent a subjective act which is affected by numerous factors Employee performance appraisals are supposed to clarify whether the respective employee is able to meet the employer's demands In case an employee is hired on the basis of misjudgement or rating errors or if someone is employed for an inappropriate position this can result in considerable costs increased requirements during the familiarisation phase loss of sales and profits or even loss of clients i.e. consequential costs searching for a new employee re-establishing a good reputation Inappropriate employees will not provide the expected benefit Moreover if the worse comes the worse they could even damage the employer's organisation company However the recording of the employees strengths and weaknesses does not only serve as a record of results professional conduct and potentials in order to provide the best possible employment but also as the basis for the definition of an adequate salary Performance appraisals can result in positive or negative personnel measures Hence the employee performance appraisal represents an essential leadership task of any executive
