✓ Exclusively available on IvyPanda

### Description of Classroom Composition

The classroom has several areas including students' and teachers' desks, closets for tools and a play area.

The activities included playing some toys, playing with plasticine, and listening to the teacher playing the guitar (in a playground outside the classroom). The learners played with cars and pet toys communicating with each other acting as the toy they had. Several girls were playing with plasticine making some objects while the teacher helped them use particular colors, make some shapes, use their rolling pins, and knives. The learners, who listened to the teacher playing the guitar, seemed very engaged as they listened very carefully (with smiles on their faces) though they did not dance or sing.

### Types of Instructional Strategies

Coach modeling and cooperative learning were major instructional strategies used during the class. Teachers were sitting next to the learners engaging them in conversations through storytelling.
