OCR English Language Paper 1 – November 2017

Trafalgar: An Eyewitness History and Band of Sisters

Students may have a relative unfamiliarity with non-fiction texts, compared with the stories of Paper 2. Furthermore, OCR's selections from such a wide range of forms (personal essay, opinion piece, memoir) make it vital that students have read widely to ensure their familiarity with all presentations. These can include forms which share many features with fiction and story writing and, while these will not necessarily be irrelevant, students should ensure that they are always framing these choices within the idea of a writer crafting their singular, personal viewpoint and perspective. Separating the topic of the text from the personal attitude that the writer has towards it, from the first reading of each text, will help students to stay focused on this different frame within which to consider a writer's choices.

Question 1 is about **Text 1, Trafalgar: An Eyewitness History**.

- 1 (a) Look again at lines 1–5.
Give **two** ways that **one** of the prisoners of war was different from the others.

"The exception [was] clothed"

"the prisoner was a woman"

[2]

- (b) Look again at lines 6–10.
Explain **two** ways the British officer showed 'compassionate attention' to this prisoner of war.

He made a collection of clothes for her.

He gave her needles and thread.

[2]

TIPS: The first questions look fairly straightforward but carry a number of risks if students do not understand what is being asked of them. The questions are there to establish skills that will be necessary for the subsequent questions: quoting relevantly, clear understanding and detailed explanation of meaning. This means that students must begin these low value questions already having a clear and developed understanding of the meaning of the text. Students should take their time with their first reading of each text and aim to clearly separate the subject of each from the viewpoint that it expresses to make full benefit of the paper's purpose to encourage the

of clearly some answer
to the first question
to progress through the skills as indicated by the keyword 'Explain'
With part (a) the keyword 'Given' indicates that it is identification that is needed only. The safest way
to answer this question is to quote directly from the text in order to avoid students give an irrelevant
simply reword a direct quote into a fact to give a correct and accurate answer.
