Jobs and Activities

After Retirement Vincent Miller, 2001-05-29 Jobs and Activities After Retirement was written to fulfill a need for informing people who are going to retire or people who are retired about what some retirees are doing to keep active during their retirement years. There are many jobs or activities that retirees can participate in to give themselves a sense of satisfaction. About a half million people over 55 are actively seeking employment. Some of them are seeking employment because retirement without something to do can be boring. Others are seeking employment because they need the money in order to maintain the same lifestyle they had before they retired. Jobs and Activities After Retirement will supply them with information about retirees who had the same experiences and will tell what they did about it. If nothing else, this book will give you an insight about what retirees in the 21st century are doing with their lives.
