Chauhan,2020-03-01 Stories this word when comes to our mind reminds us about those characters incidents and emotions attached to them In today s world everyone has a story to share whether those stories are realistic or imaginary These stories can guide you inspire you and motivate others only if you unlock the hidden stories in our minds Stories of Hidden Minds is an initiative to bring out some of such stories Sometimes we give examples based on our real life experiences so that others can get inspired and learn from our experiences This book would show you different phases in a person s life You would be surprised to see these stories define there titles The A.I. Marketer Andrew W. Pearson,2019-04-15 We seem to be living in the age of A I Everywhere you look companies are touting their most recent A I machine learning and deep learning breakthroughs even when they are far short of anything that could be touted as a breakthrough A I has eclipsed Blockchain and Crypto as the buzzword of today Indeed one of the best ways to raise VC funding is to stick AI or ML at the front of your prospectus and ai at the end of your website Separating fact from fiction is more important than it has ever been The A I Marketer breaks down A I machine learning and deep learning into five unique use cases sound time series text image and video and also reveals how marketing executives can utilize this powerful technology to help them more finely tune their marketing campaigns better segment their customers increase lead generation and foster strong customer loyalty Today Personalization the process of utilizing mobile social geo location data web morphing context and even affective computing to tailor messages and experiences to an individual interacting with them is becoming the optimum word in a radically new customer intelligence environment The A I Marketer explains this complex technology in simple to understand terms and then shows how marketers can utilize the psychology of personalization with A I to both create more effective marketing campaigns as well as increase customer loyalty Pearson shows companies how to avoid Adobe s warning of not using industrial age technology in the digital era Pearson also reveals how to create a platform of technology that seamlessly integrates EDW and real time streaming data with social media content Analytical models and neural nets can then be built on both commerical and open source technology to better understand the customer thereby strengthening the brand and just as importantly increasing ROI *Wide Ears and Short Tongues are Best* Brian J ORR,2016-03-13 An historical novel about the fortunes of the Cunninghame family in Scotland Set against the 17 century background of the trials and tribulations of the Presbyterian Kirk and the persecution imprisonment and execution by the government of the day headed by Kings who ruled by Divine Right Despite the ongoing wars the family progressed to become bonnet lairds and were at the tip of the Enlightenment of Scotland Hard work and risk taking saw them become leading merchants with Holland the Baltic and the American Colonies as well as the farmers that supplied a hungry Edinburgh **The Enigmatic Farmer** Brian J ORR,2017-08-10 A historical novel and prequel to *Wide Ears and Short Tongues are Best* the continuing story of the Cunninghame family of Coylton Ayrshire and Corstorphine Edinburgh With factual history of the turbulent times of the Reformation and the Stuart Kings Events of the 15th 16th and early 17th century are used by way of illustrating the life and

times of the people **Betrayal** Simran Thakkar (Radha),2020-12-25 The book Betrayal is a compilation of those wound bearers who had trusted someone sometimes with all their heart and in the end left with broken pieces of the heart Many of the times these unspoken stories remain in our hearts forever Here we provide you with the opportunity to pour out your heart To bleed out your pain without any limit There is one such feeling which each one of us has experienced at some point in life People come make you feel loved sometimes But when tables turn they just get vanished from your lives No matter how much we trust them love them in the end we are left with a broken heart This book is dedicated to all those broken hearts which believed in someone loved someone sometime but now cannot even trust themselves The saddest part is though we are connected with so many people in our lives we cannot share what we are feeling This concept and these hidden feelings and pain in everyone s heart leads us to our book Betrayal The Hidden Attack The book which carries pain from all broken hearts who once trusted someone blindly experiences one would never forget tears which never got shed in front of anyone This book will remind readers of someone who was once a special part of your heart and now they ve just vanished from their lives **Timeless Tagore** Rupa De,2020-09-28 Timeless Tagore evolved bit by bit over a very long time I am painfully aware that this project is a mission impossible given the unconquerable gulf between Rabindranath Tagore s lyrical mastery in the Bengali original and the near maiming that ensues in translating his creation into another language It is also impossible to translate the beautiful use of alliteration and the onomatopoeia the poet indulges in As William Radice observed even the best of translators would have struggled with reproducing into English some of the characteristics of Bengali such as its rich sound patterns exploited to the full by Tagore its elegantly economical and regular inflexional system or its abundance of vivid onomatopoeic words Nevertheless I found myself incapable of turning away from this madness that spurred me to take a minute part of the poet s genius to non Bengali friends of mine and to those of my family who cannot read Bengali This modest collection a labour of love and respect consisting of samples of Tagore s vast collection of songs has been randomly selected It does not follow any category but comprises songs that touch me inspire me bring me out from the depths of darkness and at times exhilarate me They give me solace help me to understand philosophy and to know ways of worshipping the Supreme through His own creation the nature It is a small tribute to the genius of Tagore which in my limited capacity I have tried to project **An Elixir of Love** Shyam Keshariya,2020-07-08 AN E L I X I R OF LOVE is a beautiful creation which is a collection of poem letters short conversations quotes and write ups based on different stages of love such as friendship romance longing procrastination pain and even hate With the beautiful use of words I have managed to acquire all the emotions which a person goes through after falling in love After reading this a person can cherish or rather experience all this emotions and most importantly can grow with them This is a light yet deep source for readers in teen age or let us rather say the ones who have fallen in love Readers would be able feel the unconditional love the excruciating heart break the procrastination about the longing from the dear ones and the rage caused by hate after reading the book It s a

book which people would love to read and many would even be able to relate It s a book which surrounds around love and shows the magic it has It would touch your soul if you feel the emotions it carries At last I would just say EVERY WRITING DEFINES A STORY WHICH NEEDS TO BE HEARD
