Red Blood Yellow Skin:

Red Blood, Yellow Skin Linda L.T. Baer, 2015-06-02 WINNER OF THE NORTH STREET BOOK PRIZE COMPETITION
Red Blood Yellow Skin is the story of a young girl's survival in war-torn Vietnam during the First Indochina War between France and Vietnam, the civil war between North and South Vietnam, and the later American involvement in the Vietnam War. Linda Baer was born Nguyen Thi Loan in the village of Tao Xa Thai Binh Province in North Vietnam in 1947. When she was four years old, the Viet Minh attacked her village and killed her father, leaving Loan and her mother to fend for themselves. Seeking escape from impoverishment, her mother married a rich and dominating widower who was cruel to his free-spirited and mischievous stepdaughter. Loan found solace in the company of animals and insects and escaped into the branches of trees. In 1954, her family chose to relocate to South Vietnam rather than live under the yoke of communist North Vietnam. When Loan was thirteen, she ran away to Saigon to flee the cruelty of her stepfather and worked at menial jobs to help her family. At seventeen, she was introduced to bars, nightclubs, and Saigon Tea. At eighteen, she dated and lived with a young American airman. Two months after their baby was born, the airman returned to America, and Loan never heard from him again. She raised their son by herself. However, time healed her heart, and she eventually found true love in a young air force officer whom she married and accompanied to America in 1971. Red Blood Yellow Skin is a story of romance, culture, traditions, and family. It describes the pain, struggle, despair, and violence as Loan lived it. The story is hers, but it is also an account of Vietnam of those who were uprooted, displaced, brutalized, and left homeless. It is about this struggle to survive and her extraordinary triumph over adversity that Baer writes. Linda Baer was born Nguyen Thi Loan in a small village in North Vietnam. Her family relocated to South Vietnam in 1954. She spent most of her youth in Saigon, where she met her husband. She followed him to America in 1971 and became an American citizen in 1973. She currently resides in Charleston, South Carolina, where she is a successful businesswoman.

Pride Aside and Other Poems F. Ndi, 2016-01-29 *Pride Aside and Other Poems* rattles the brain as it blurs thematic boundaries Even though Bill F Ndi's poems seem to clearly draw inspiration from everyday life almost all the poems are structured as sonnets Through the lines of the various poems in this collection influences of poets from different schools of poetic creativity and streams of inspiration resonate They bring to mind the metaphysical poets the Romantics the Symbolists the Confessionalists poets of the Beat Generation Committed poetry etc As such reading the collection places the reader before a multifaceted and intriguing cultural document imbued with literary influences from Chaucer to W B Yeats and beyond However their insight and the richness of their humanity transform the poems essentially into meditations on the soul of our civilization This poetic work is vibrant and thought provoking *Hygeia*, 1946 *A Practical Guide to Garden Plants* ...
