Marcus Cederström,2022-07-26 The work folklorists do on the ground and in communities can make a concrete difference in quality of life While the field is not immune to extractive racist colonial heteronormative and misogynistic practices it can counter and combat these same forces in society Culture Work presents case studies of public oriented work that define the Wisconsin Idea of folklore in all its complexities challenges and potentialities Thematically arranged chapters represent interconnected aspects of culture work from amplifying local voices to galvanizing community from within to reflecting on how we might use folklore to build the world we want to live in A Knitter's Home Companion Michelle Edwards,2011-09-13 A cozy and charming collection of essays about the joys of knitting complete with lovely patterns and yummy recipes Kate Jacobs author of The Friday Night Knitting Club A Knitter s Home Companion is an illustrated collection of stories patterns and recipes from beloved knitter and essayist Michelle Edwards This heartwarming title will appeal to knitters interested in not only stitches yarn and patterns but also in the lives of other knitters the lessons that can be learned from their craft the ways knitting helps knitters
