Access to Employee Personnel Files

Staff salaries, personnel data, and all aspects of University affairs that have not been released as public information are confidential. If you are an active staff member and wish to review your personnel file, you should refer to Policy 07-06-05. If you believe that there is an error in the record, a statement to that effect may be added as a part of the permanent file. You may also request that your department process the appropriate forms to initiate corrections. You should make arrangements through your departmental administrator if you wish to review your departmental personnel file.

Affirmative Action

On February 28, 1992, the Board of Trustees passed a resolution reaffirming the University's commitment to affirmative action. The resolution commits the University to the following goals:

- to achieve diversity in the racial/ethnic and sex composition of its workforce at all levels;
- to enhance opportunities for enrolling, retaining, and graduating students from underrepresented groups;
- to provide accessibility and accommodation to individuals with disabilities;
- to create a campus environment free of bigotry and harassment; and
- To engage minority- and women-owned businesses as vendors and suppliers.

The Office of Affirmative Action, Diversity and Inclusion has responsibility for providing leadership, coordination, and oversight for the University's affirmative action program. Given the size, complexity, and collegial nature of the University, the Office of Affirmative Action, Diversity and Inclusion cannot do this alone. The campus community contributes to the University's commitment to affirmative action through the work of senior administrative officers, deans, directors, department heads, managers, supervisors, and various campus-wide, school, departmental, and student committees and groups as well as individual faculty, staff, and students.

For additional information, refer to Policy 07-01-03 or contact the Office of Affirmative Action, Diversity and Inclusion at **412-648-7860**.
