Access to Healthy Food

The United States prides itself as a nation of wealth and prosperity. However, many people do not realize that nearly 43 million Americans live in poverty (Bisha). The gap between rich and poor exists not only in terms of wealth, but also in terms of access to healthy food. People in low income areas suffer from less access to grocery stores, fewer healthy options in their stores, and often they cannot afford the more expensive healthy foods that are available to them. As a result of this situation, many
