Migration and Transformation: Pirkko Pitkänen, Ahmet Içduygu, Deniz Sert, 2012-04-14 People's transnational ties and activities are acquiring ever greater importance and topicality in today's world The focus of this book

lies in the complex and multi level processes of migrant transnationalism in four transnational spaces India UK Morocco France and Turkey Germany and Estonia Finland The main question is how people s activities across national borders emerge function and change and how are they related to the processes of governance in increasingly complex and interconnected world The book is based on the findings of a three year research project TRANS NET which brought together internationally acknowledged experts from Europe Asia and Africa As no single discipline could investigate all the components of the topic in question the project adopted a multi disciplinary approach among the contributors there are sociologists policy analysts political scientists social and cultural anthropologists educational scientists and economists The chapters show that people s transnational linkages and migration across national boundaries entail manifold political economic social cultural and educational implications Although political social economic educational transformations fostered by migrant transnationalism constitute the main topic of the book the starting assumption is that the large scale institutional and actor centred patterns of transformation come about through a constellation of parallel processes

Resources in Education ,2001-04 **Federal Personnel Manual** , *Wife Rape* Raquel Kennedy Bergen,1996-05-21 With expertise and sensitivity the author of this accessibly written volume addresses a real but long neglected problem the pain and humiliation of sexual assault suffered by many women at the hands of their partners Extensive gathering of personal testimony from survivors together with interviews with service providers bears witness to a lack of validation and insufficient assistance currently available for such women This volume gives hope to survivors and provides critical information for service providers to gain a better understanding of the seriousness of the problem

Language Standardization and Language Change Ana Deumert,2004-03-31 Language Standardization and Language Change describes the formation of an early standard norm at the Cape around 1900 The processes of variant reduction and sociolinguistic focusing which accompanied the early standardization history of

Afrikaans or Cape Dutch as it was then called are analysed within the broad methodological framework of corpus linguistics and variation analysis Multivariate statistical techniques cluster analysis multidimensional scaling and PCA are used to model the emergence of linguistic uniformity in the Cape Dutch speech community The book also examines language contact and creolization in the early settlement the role of Afrikaner nationalism in shaping language attitudes and linguistic practices and the influence of English As a case study in historical sociolinguistics the book calls into question the traditional view of the emergence of an Afrikaans standard norm and advocates a strongly sociolinguistic speaker orientated approach to language history in general and standardization studies in particular
