RE:

_____ is a gem! She is one of the most conscientious and hard working students I have ever taught in what is now a rather long career, and she has proven to be one of the most creative and synthetic undergraduate thinkers I have encountered. She is also an exceptionally engaging, interesting and warm person with tremendous strength of character and integrity. I am delighted and proud to be able to write this letter recom-mending _____ for the Truman Scholarship. There are few students I would want to recommend to you with as much confidence and enthusiasm.

I have known _____ for almost three years. She was enrolled in my section of our core program for first year students during her first semester at Willamette University. The second semester she felt she needed greater challenges and asked to enroll in my 400 level seminar on historiography and philosophy of history, a course where she would be surrounded by senior history majors. She did very well in the course and this as a second semester freshman! Last year she was a student in my course on twentieth century European intellectual history. And I serve as her academic advisor.

_____ has demonstrated in my courses that she is undaunted by difficult and demanding reading material (in the twentieth century course, for example, texts by Freud, Einstein, Sartre, de Beauvoir, Arendt, Heidegger, Fanon and Foucault), and she is able to read closely and with good comprehension.
