Jackman, 2012-08-23 The English Language Word Builder organizes English words in a way that is beneficial to anyone wishing to improve their vocabulary from those learning the English language through to those wishing to excel at word games such as Scrabble The book contains the basic form of some 82 500 words from two to nine letters in length and is organized in chapters depending on the word length Within each chapter words are designated as either familiar or less familiar with the familiar words deemed to be those of most use when communicating in English With the exception of less familiar nine letter words each word is assigned a part of speech which is evident from formatting applied For example underlining indicates verbs while bold type indicates adjectives and other words that cannot be pluralized Symbols are used to indicate additional forms of each basic word with a special symbol being used to designate irregular verbs Within sections of familiar words in each chapter words are grouped in accordance with their part of speech Within sections of less familiar words words are grouped firstly into those which are built from shorter words and then into all other words with various groupings depending on the word length Available single letter extensions of basic words are shown by a lower case letter at the end of each capitalized main word This enables users of the book to build on their existing vocabulary to make new words either for use in word games or in communicating in English      The Nympho and Other Maniacs Irving Wallace, 2019-04-28

In this exciting and provocative book Irving Wallace one of America s most famous novelists turns to nonfiction to tell the candid stories of more than thirty women of the last two centuries who defied the social standards of their times sexually politically intellectually rebelling against conventional behavior or ideas to go their own ways These ladies by intention or unwittingly gave succeeding generations of women new freedoms freedoms the very mention of which scandalized their contemporaries but which led ultimately to today s Women s Liberation Movement With a gift of narrative rare in nonfiction Irving Wallace describes the lives of Ninon de Lencios who founded a School of Lovemaking in France of Emma Hamilton who became pregnant by England s greatest naval hero without her husband s noticing it of Napoleon s sister Pauline Bonaparte whose intense sexual activity was the despair of her gynecologist of Napoleon s mistress Maria Walewska who was asked to sacrifice her virtue to the Emperor to save Poland from his wrath Perhaps nobody has ever done such justice to Lord Byron s reckless females among them the sensuous Teresa Guiccioli who left her titled husband for Byron the unhappy

Caroline Lamb who pursued Byron with such passion as to nearly drive him and her husband mad and the unfortunate Claire Clairmont who gave Byron both a daughter and a hellish time Certainly no one has ever written so entertainingly about such extraordinary tales as Victoria Woodhull who ran for president of the United States in 1872 on a platform advocating free love short skirts vegetarianism birth control and world government she also made a fortune as the first lady stockbroker with the backing of her good friend Commodore Vanderbilt or Lady Jane Eleenborough who enjoyed thirty six renowned lovers three of them kings and four husbands the last an Arab sheik The Nympho and Other Maniacs is a magnificent tour de force a book that goes far beyond the amusing and incredible adventures of the uninhibited ladies themselves to make some wise and unexpected points about life love marriage and women
