### Passage (click here to show all)

1. Water droplets pattered onto the gold and brown leaves that covered the forest floor. The last shreds of cloud glided away toward the low hills, and the moon beamed down in their wake. The rain stopped just in time for the porcupine's nightly foraging to begin.
2. The dark brown, chunky figure climbed down the tree trunk and shuffled over the soggy leaf carpet. Her search for tasty vegetation that might linger in sheltered spots turned up meager pickings, however. There had already been several nights of hard frost so the animal spent more time traveling than eating. Before the night was half over, she'd wandered out of her usual territory and into a clearing where a rustic cottage overlooked a lake.
