[IMPORTANT NOTES]

[This **Policy and Procedure Template with Instructions** describes what information to include in each section and how to write it – see the [policy writing instructions](#) at the end of this document. **USE THIS AS A REFERENCE TOOL**, and write your policy in the **Blank Policy and Procedure Template (with formatting)** so that it is in the approved format. Both templates are on the Policy Portal.

To identify what template to use (e.g. a policy and procedure combined, a standalone policy, a standalone procedure, or a guideline), refer to the [Policy Document Development and Review Procedure](#).

If experienced, use the automated contents table and auto-number the paragraphs; otherwise, number the paragraphs manually and the Policy Portal Administrator will update the contents table. Contact the Policy Portal Administrator (policy@cqu.edu.au) with any questions about using this template.]
